Staff Report

DATE: April 14, 2014

TO: Local Agency Formation Commission

FROM: Elliot Mulberg, Interim Executive Officer

SUBJECT: **Sacramento Regional Fire/EMS Communications Center**

Recommendation: That the Commission receive presentations on the Sacramento Regional Fire/EMS Communications Center.

Background: One of the key issues in consolidating fire services is a common communications center. In neighboring Sacramento County, the fire agencies formed a JPA to establish a county-wide communications center for fire and emergency medical services. As this is an issue that must be addressed in Solano County, Chief Executive Director of the Sacramento Regional Fire/EMS Communications Center– Teresa Murray and staff will be here to make the presentation and answer any questions you may have.
