Re: Request for Special Meeting in July 2017 for Detachment from Solano Irrigation District

Dear Ms. Shopay,

On behalf of our client, BLC Vacaville, LLC, we are respectfully requesting a special meeting of the Local Agency Formation Commission (LAFCO) on Monday July 10, 2017 for the purpose of detaching our client's property from the Solano Irrigation District (SID).

Our client has paid significant fees to SID to detach from the District (over \$360,000) and they cannot move with the project until the detachment is completed through LAFCO.

Thank you for your consideration of this matter. If you have any comments or questions regarding this, please let us know.

Very Truly Yours,

PHILLIPPI ENGINEERING, INC.
