Dear Chair Shopay, Commissioners and Alternates

Having been employed in the development and housing business for over thirty years, I believe I can recognize exemplary staff when I have the good fortune to work with them.

Recently, our project, Roberts' Ranch, came before the Commission requesting annexation to the City of Vacaville. From our preliminary meetings, prior to application, to the brokering of a condition dealing with the status of Fry Road, Roseanne Chamberlain and Michelle McIntyre provided excellent guidance and leadership.

Roseanne is of special note. Her breadth of knowledge clearly shows the experience that she brings to the job. She actively engaged with us, helped us through some gaps in our knowledge and brought, with Michelle's able assistance, a complete project to the Commission. Her work, with the City and County, in crafting an acceptable road condition was the icing on the cake. It is rare, at this point in my career, to learn new things, however, Roseanne provided that experience.

I understand that Roseanne's term as interim Director is quickly drawing to a close, and I wish her the best for the future.

Best Regards
