

The California Association of Local Agency Formation Commissions is proud to present a popular, timely CALAFCO University Course ...

LAFCo's Evolving Mission: New Laws, Requirements and Transparency

ABOUT THIS COURSE

WOW! LAFCo's often take on a multitude of activities related to government services. Over the last couple years the legislature has generously provided LAFCo with additional opportunities to serve. This course will explore the new responsibilities and requirements given to LAFCo. We will also look on the evolving topic of transparency, how are we doing, and what's on the horizon. So let's look at:

- 2016 Laws: SB 239, SB 272, SB 1266, AB 2257
- 2017 Laws: AB 1361, SB 448, AB 979
- Little Hoover Commission Recommendations
- Transparency: How are we doing? Where are we going?
- Complete a Transparency Checklist

This course will explore the various roles and how different LAFCos accomplish the goal of serving our many constituents. Given all the transparency requirements for local government these days, we will also take time to review what LAFCos should be doing in this area and provide you with a checklist to ensure you are up to date on requirements. *Full course agenda is on the next page.*

Dear Chair and Commission:

On behalf of the California Association of Local Agency Formation Commissions (CALAFCO), I would like to thank your commission for allowing some of your members and/or staff the opportunity to attend the CALAFCO 2017 annual conference in San Diego.

We know that resources remain tight and understand that prioritizing expenditures can be difficult. Ensuring you and your staff have access to ongoing professional development and specialized educational opportunities, allows all of you the opportunity to better serve your commission and fulfill the mission of LAFCo. The sharing of information and resources among the LAFCo commissioners and staff statewide serves to strengthen the LAFCo network and creates opportunities for rich and value-added learning that is applied within each LAFCo.

Thank you again for your participation in the CALAFCO 2017 annual conference, I hope you found it a valuable experience. We truly appreciate your membership and value your involvement in CALAFCO.

Yours sincerely,

Pamela Miller

Re: President's Special Acknowledgement Award – Property/Liability Program

Dear Ms. Shopay:

This letter and enclosed certificate, are to formally acknowledge the dedicated efforts of the Local Agency Formation Commission of Solano County's Governing Body, management and staff towards proactive risk management and loss prevention training for earning the President's Special Acknowledgement Award! The Award is to recognize members with no "paid" claims during the prior **five consecutive program years** in the Property/Liability Program.

A "paid" claim for the purposes of this recognition represents the first payment on an open claim during the prior program year and excludes property claims. Your agency's efforts have resulted in no "paid" property/liability claims for the prior 5 consecutive program years including 2016-17. This is an outstanding accomplishment that serves as an example for all SDRMA members!

It is through the efforts of members such as Local Agency Formation Commission of Solano County that SDRMA has been able to continue providing affordable property/liability coverage to over 500 public agencies throughout California. While 408 members or 81% in the property/liability program had no "paid" claims in program year 2016-17, 259 members or 52% had no paid claims for the prior 5 consecutive years.

In addition to this annual recognition, members with no "paid" claims during 2016-17 earned 2 credit incentive points (CIPs) reducing their annual contribution amount and members with no "paid" claims for the prior 5 consecutive program years earned 3 additional bonus CIPs. Also, members with no "paid" claims for at least 3 consecutive program years may receive a lower "risk factor" which also helps to reduce the annual contribution amount.

Included with this letter and certificate is your press release template so your agency may showcase this important accomplishment.

On behalf of the SDRMA Board of Directors and staff, it is my honor to congratulate your Governing Body, management and staff for your commitment to proactive risk management and loss prevention training.

Sincerely,
Special District Risk Management Authority

Jean Bracy, President
