To Interested Parties:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Act) establishes procedures for local government changes of organization, including city incorporations, annexations to a city or special district, and city and special district consolidations.

Local agency formation commissions (LAFCOs) have numerous powers under the Act, but those of primary concern are the power to act on local agency boundary changes and to adopt spheres of influence for local agencies. Among the purposes of LAFCOs are the discouragement of urban sprawl and the encouragement of the orderly formation and development of local agencies.

Staff to the Assembly Local Government Committee regularly updates the *Guide to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000*. This version reflects the 2007 legislative changes to the Act. I hope that you find it to be a useful and helpful document.

Respectfully,

Anna M. Caballero
Chair

A BRIEF HISTORY OF THE ACT

In California, the establishment and revision of local government boundaries is governed by the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. The Act was a comprehensive revision of the Cortese-Knox Local Government Reorganization Act of 1985, which was itself a consolidation of three major laws governing boundary changes. The three laws that governed changes in the boundaries and organization of cities and special districts prior to 1986 were:

- The Knox-Nisbet Act of 1963, which established local agency formation commissions (LAFCOs) with regulatory authority over local agency boundary changes.
- The District Reorganization Act of 1965 (DRA), which combined separate laws governing special district boundaries into a single law.
- The Municipal Organization Act of 1977 (MORGA), which consolidated various laws on city incorporation and annexation into one law.

These three laws contained many parallel and duplicative provisions. However, similar procedures varied slightly from one law to another, and the procedures necessary for one type of boundary change were found in different sections of the three laws. Although at the time of its passage MORGA was the most current revision of city annexation statutes, many cities in the state were still required to use DRA so that areas being annexed could be simultaneously detached from special districts. All three laws contained application and hearing procedures for LAFCOs, but there were inconsistencies among them. This made city and district boundary changes unnecessarily confusing and complicated for local agencies and LAFCOs, as well as for residents and property owners.

In June of 1981, the executive board of the California Association of Local Agency Formation Commissions (CALAFCO), at the recommendation of Ruth Benell, Los Angeles LAFCO executive officer and chair of the CALAFCO legislative committee, established a subcommittee of LAFCO representatives to draft legislation for consolidating the three laws. The subcommittee, composed of Chair Bill Davis (San Mateo LAFCO executive officer), Marvin Panter (Fresno LAFCO executive officer), and Janet Robinson (Sacramento LAFCO staff), spent three years working on the consolidation. In February of 1983, the CALAFCO legislative committee, composed of LAFCO commissioners and staff from around the state, reviewed and made recommendations on a number of problem areas related to consolidating the laws. An expanded CALAFCO technical review committee met in December of 1983 to review a draft of the new law, and early in 1984 the draft was approved by the CALAFCO legislative committee and executive board.

Assembly Member Dominic Cortese, who had served on Santa Clara LAFCO while a Santa Clara County supervisor, as well as on the CALAFCO executive board, was aware of the problems encountered in working with the three laws. In February of 1984, he agreed to introduce legislation to carry out the consolidation effort. He also determined that the bill would be limited to consolidating procedural requirements and would not include changes in legislative policy. In March and April of 1984, Casey Sparks Kaneko, principal consultant to the Assembly Local Government Committee, and Legislative Counsel reviewed and revised the draft legislation that had been prepared by CALAFCO. Assembly Member Cortese released the draft consolidated law in May of

1984 as Preprint AB 15 for review and comment by local agencies, the League of California Cities, the County Supervisors Association of California (now the California State Association of Counties), the California Special Districts Association, the Association of California Water Agencies, the California Building Industry Association, the California Farm Bureau Federation, and other interested groups and individuals. The Assembly Local Government Committee held an interim hearing to receive testimony on Preprint AB 15 at the State Capitol on October 15, 1984. Testimony at the hearing supported the concept of consolidating the three boundary change laws.

The final draft of the consolidated law was introduced by Assembly Member Cortese in December of 1984 as AB 115. The Assembly Local Government and Ways and Means committees and the Senate Local Government and Appropriations committees heard the bill from March through July of 1985. After several minor amendments, AB 115 was approved by the Legislature on August 22, 1985, signed by Governor Deukmejian on September 9, and chaptered as Chapter 541, Statutes of 1985.

Several other bills in the 1985 legislative session amended sections of the Government Code affected by AB 115. Assembly Bill 558 (Cortese) conformed these other bills to the new Local Government Reorganization Act and added the name of former Assembly Member John Knox to the new law, co-author of the Knox-Nisbet Act of 1963 that established LAFCOs. AB 558, Chapter 1599, Statutes of 1985, was approved by the Legislature on September 13, the last day of the legislative session, and was signed by the Governor on October 2, 1985, completing the Cortese-Knox Local Government Reorganization Act of 1985. The Act became operative on January 1, 1986.

Speaker Robert M. Hertzberg introduced AB 2838 in 2000 to comprehensively revise the Cortese-Knox Act. His bill incorporated many of the recommendations made by the Commission on Local Governance for the 21st Century in its report, *Growth Within Bounds*. The extent of revisions resulting from AB 2838 is reflected in the Act's current title: the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

PART 1. GENERAL

CHAPTER 1. LEGISLATIVE FINDINGS AND DECLARATIONS

Title

56000. This division shall be known and may be cited as the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

Legislative findings and declarations; state interests

56001. The Legislature finds and declares that it is the policy of the state to encourage orderly growth and development which are essential to the social, fiscal, and economic well-being of the state. The Legislature recognizes that the logical formation and determination of local agency boundaries is an important factor in promoting orderly development and in balancing that development with sometimes competing state interests of discouraging urban sprawl, preserving open-space and prime agricultural lands, and efficiently extending government services. The Legislature also recognizes that providing housing for persons and families of all incomes is an important factor in promoting orderly development. Therefore, the Legislature further finds and declares that this policy should be effected by the logical formation and modification of the boundaries of local agencies, with a preference granted to accommodating additional growth within, or through the expansion of, the boundaries of those local agencies which can best accommodate and provide necessary governmental services and housing for persons and families of all incomes in the most efficient manner feasible.

Priorities

The Legislature recognizes that urban population densities and intensive residential, commercial, and industrial development necessitate a broad spectrum and high level of community services and controls. The Legislature also recognizes that when areas become urbanized to the extent that they need the full range of community services, priorities are required to be established regarding the type and levels of services that the residents of an urban community need and desire; that community service priorities be established by weighing the total community service needs against the total financial resources available for securing community services; and that those community service priorities are required to

reflect local circumstances, conditions, and limited financial resources. The Legislature finds and declares that a single multipurpose governmental agency is accountable for community service needs and financial resources and, therefore, may be the best mechanism for establishing community service priorities especially in urban areas. Nonetheless, the Legislature recognizes the critical role of many limited purpose agencies, especially in rural communities. The Legislature also finds that, whether governmental services are proposed to be provided by a single-purpose agency, several agencies, or a multipurpose agency, responsibility should be given to the agency or agencies that can best provide government services.

All changes of organization and reorganizations shall be initiated, conducted, and completed in accordance with, and as provided in, this division.

Conflict with principal act

Notwithstanding any other provision of law, proceedings for the formation of a district shall be conducted as authorized by the principal act of the district proposed to be formed, except that the commission shall serve as the conducting authority and the procedural requirements of this division shall apply and shall prevail in the event of conflict with the procedural requirements of the principal act of the district. In the event of such a conflict, the commission shall specify the procedural requirements that apply, consistent with the requirements of this section.

Disclosure of contributions, expenditures, and independent expenditures

56100.1. A commission may require, through the adoption of written policies and procedures, the disclosure of contributions, as defined in Section 82015, expenditures, as defined in Section 82025, and independent expenditures, as defined in Section 82031, made in support of or opposition to a proposal. **Pending proceedings;
exemption**

56101. This division does not apply to any proceeding for a change of organization or reorganization for which the application shall have been accepted for filing by the executive officer pursuant to Section 56658 prior to January 1, 2001. These pending proceedings may be continued and completed under, and in accordance with, the provisions of law under which the proceedings were commenced. The repeals, amendments, and additions made by the act enacting this division shall not apply to any of those pending proceedings, and, the laws existing prior to January 1, 2001, shall continue in full force and effect, as applied to those pending proceedings.

**Change deemed complete by
certificate of completion**

56102. For the purpose of any action to determine or contest the validity of any change of organization or reorganization, the change of organization or reorganization shall be deemed to be completed and in existence upon the date of execution of the certificate of completion.

**Action to determine validity
of any change**

56103. An action to determine the validity of any change of organization, reorganization, or sphere of influence determination completed pursuant to this division shall be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the Code of Civil Procedure.

Severability

56104. If any provision of this division or the application of any provision of this division in any circumstance or to any person, city, county, district, the state, or any agency or subdivision of the state is held invalid, that invalidity shall not affect other provisions or applications of this division which can be given effect without the invalid provision or application of the invalid provision, and to this end the provisions of this division are severable.

**Protest to regularity of
proceedings**

56105. Any protest or objection pertaining to the regularity or sufficiency of any proceedings or commission proceedings shall be in writing, clearly specify the defect, error, irregularity, or omission to which protest or objection is made and shall be filed within the time and in the manner provided by this division. Any protest or objection pertaining to any of these matters which is not so made and filed is deemed voluntarily waived.

Time for action directory rather than mandatory

56106. Any provisions in this division governing the time within which an official or the commission is to act shall in all instances, except for notice requirements and the requirements of subdivision (i) of Section 56658, be deemed directory, rather than mandatory.

Construction; harmless irregularities

56107. (a) This division shall be liberally construed to effectuate its purposes. No change of organization or reorganization ordered under this division and no resolution adopted by the commission making determinations upon a proposal shall be invalidated because of any defect, error, irregularity, or omission in any act, determination, or procedure which does not adversely and substantially affect the rights of any person, city, county, district, the state, or any agency or subdivision of the state.

Commission determinations final in absence of fraud or abuse of discretion

(b) All determinations made by a commission under, and pursuant to, this division shall be final and conclusive in the absence of fraud or prejudicial abuse of discretion.

Standard of legal review

(c) In any action or proceeding to attack, review, set aside, void, or annul a determination by a commission on grounds of noncompliance with this division, any inquiry shall extend only to whether there was fraud or a prejudicial abuse of discretion. Prejudicial abuse of discretion is established if the court finds that the determination or decision is not supported by substantial evidence in light of the whole record.

Substantial evidence test

Automatic merger doctrine

56116. The Legislature declares that the doctrine of automatic merger of a district with a city or the merger by operation of law of a district with a city has no further force or effect. The existence of a district shall not be extinguished or terminated as a result of the entire territory of that district being heretofore or hereafter included within a city unless that district is merged with the city as a result of proceedings taken pursuant to this division.

Mergers and subsidiary districts; mutual service agreements

56117. A district of limited powers may be either merged with, or established as, a subsidiary district of a city in the manner provided in this division.

A mutual service agreement between a city and a district of limited powers may provide that the city shall not, while that agreement is in effect, or during any portion of the agreement's effective duration as the city and the district may stipulate in the agreement, initiate a proposal to establish the district as a subsidiary district of the city.

Mergers and subsidiary districts; proposal in alternative

56118. Except for a proposal for the merger of a then existing subsidiary district, any proposal for a merger or establishment of a subsidiary district authorized by this division shall contain a request in the alternative, requesting either a merger or the establishment of a subsidiary district, as may be determined during the course of the proceedings. Any proposal requesting only merger shall be deemed to also include a request for the establishment of a subsidiary district and any proposal requesting only the establishment of a subsidiary district shall be deemed to also include a request for merger.

Consistency with district principal acts

56119. It is not necessary for the principal act of any district to adopt or incorporate this division by reference and any change of organization or reorganization provided for by this division may be made by, or with respect to, any district. Except as otherwise provided in this division, in any change of organization or reorganization the principal act shall govern as to any provisions in the principal act pertaining to boundaries, to contiguity or noncontiguity of territory, to the incorporated or unincorporated status of territory, and to the overlapping of territory of a district with the territory of another district or city. Unless otherwise provided by the principal act, any territory annexed to a district shall be contiguous to the district and shall not be a part of another district formed under the same principal act without the consent of the other district.

Contiguity requirement

Parent and member districts; automatic boundary changes

56120. Where the principal act of any parent district provides that the boundaries of the parent district shall be automatically changed in the event of a change in the boundaries of a member district, or that the boundaries of the parent district may be concurrently changed with a change in the boundaries of a member district, the boundaries of the parent district shall be deemed to be automatically, or may be concurrently, changed as the case may be, when proceedings are in accordance with the provisions of the principal acts of any parent district, upon completion of a change of organization or a reorganization changing the boundaries of the member district. The commission of the principal county of the member district shall have exclusive jurisdiction over such a change in boundaries of the member district and also of any parent district subject to this division.

Rights of bondholders; enforcement

56121. No change of organization or reorganization, or any term or condition of a change of organization or reorganization, shall impair the rights of any bondholder or other creditor of any county, city, or district. Nor shall any change of organization or reorganization, or any term or condition of a change of organization or reorganization, impair the contract

rights, or contracts entered into by a public entity created by a joint exercise of powers agreement established pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government Code. Notwithstanding any provision of this division, or of any change of organization or reorganization, or any term or condition of a change of organization or reorganization, each and every bondholder or other creditor may enforce all of his or her rights in the same manner, and to the same extent, as if the change of organization, reorganization, term, or condition had not been made. Those rights may also be enforced against agencies, and their respective officers, as follows:

(a) Annexation or detachment: against the city or district to, or from, which territory is annexed or detached.

(b) Incorporation: against the newly incorporated city.

(c) Formation: against the newly formed district.

(d) Disincorporation: against the successor county receiving distribution of the remaining assets of the disincorporated city.

(e) Dissolution: against the local agency receiving distribution of all or any part of the remaining assets of a dissolved district.

(f) Consolidation: against the consolidated successor city or district.

(g) Reorganization: against the affected city or district, successor county or newly incorporated city or newly formed district, as the case may be, for any of the above enumerated changes of organization or city incorporations which may be included in the particular reorganization.

Enforceability of Section 56886; effect on bondholders or other creditors

56122. Section 56886 and any term and condition provided by, or made pursuant to, that section shall be enforceable by, between, among, and against any public agency or agencies designated in the term and condition, but shall not constitute, or be given effect as, a limitation upon the power of any bondholder or other creditor to enforce his or her rights, particularly any rights provided for by Part 5 (commencing with Section 57300), as if Section 56886 had not been enacted or the term and condition had not been made or provided pursuant to that section.

Multi-county districts; principal county

56123. Except as otherwise provided in Section 56124, if a proposed change of organization or a reorganization applies to two or more affected counties, for the purpose of this division, exclusive jurisdiction shall be vested in the commission of the principal county. Any notices, proceedings, orders, or any other acts authorized or required to be given, taken, or made by the commission, board of supervisors, clerk of a county, or any other county official, shall be given, taken, or made by the

persons holding those offices in the principal county. The commission of the principal county shall provide notice to the legislative body and the executive officer of all affected agencies of any proceedings, actions, or reports on the proposed change of organization or reorganization. Any officer of a county other than the principal county shall cooperate with the commission of the principal county and shall furnish the commission of the principal county with any certificates, records, or certified copies of records as may be necessary to enable the commission of the principal county to comply with this division.

Jurisdiction other than principal county; requirements

56124. If a proposed change of organization or a reorganization applies to two or more affected counties, for purposes of this division, exclusive jurisdiction may be vested in the commission of an affected county other than the commission of the principal county if all of the following occur:

(a) The commission of the principal county approves of having exclusive jurisdiction vested in another affected county.

(b) The commission of the principal county designates the affected county which shall assume exclusive jurisdiction

(c) The commission of the affected county so designated agrees to assume exclusive jurisdiction.

If exclusive jurisdiction is vested in the commission of an affected county other than the principal county pursuant to this section, any notices, proceedings, orders, or any other acts authorized or required to be given, taken, or made by the commission, board of supervisors, clerk of a county, or any other officer of a county, shall be given, taken, or made by the persons holding those offices in the affected county. Any officer of a county other than the affected county shall cooperate with the commission of the affected county and shall furnish the commission of the affected county with any certificates, records, or certified copies of records as may be necessary to enable the commission of the affected county to comply with this division.

District formation as part of reorganization

56125. If any reorganization provides for the formation of any new district or districts, the district or districts shall be deemed to have been formed upon compliance with the procedure and provisions of this division relating to reorganization. If the terms and conditions of any change of organization or reorganization provide for the formation of an improvement district or for the annexation of territory to, or detachment of territory from, an existing improvement district, that formation, annexation, or detachment shall be deemed to have been completed upon compliance with the procedure and provisions

Improvement district as term of condition of change

Mailed notice to landowners

No separate proceedings

of this division relating to a change of organization or a reorganization. In any proceeding for a change of organization or a reorganization providing for territory to be formed into, or annexed to, or detached from, an improvement district, the clerk of the county or of the district, as the case may be, shall give mailed notice of hearing on the proposed change of organization or reorganization to all landowners owning land within the territory. No further or separate proceedings need be taken for the formation of any improvement district or for the annexation of territory to, or detachment of territory from, the existing improvement district. To that extent only, this division shall govern and provide the exclusive procedure for the formation of any such improvement district or for the annexation of territory to, or detachment of territory from, an existing improvement district and the provisions of the principal act relating to the formation of an improvement district or for the annexation of territory to, or detachment of territory from, an existing improvement district shall have no application.

Assessor to furnish estimated assessed valuations

56126. Upon request by the executive officer or the clerk of any county or district, the assessor of any city, county, or district shall furnish estimated assessed valuations, determined by the same methods and valuations used in preparing the last equalized assessment roll, in both of the following cases:

Public agency ownership

(a) Where real property is owned by a public agency and no assessed value for that real property is shown on the roll.

(b) Where a single assessment parcel shown on the last equalized assessment roll either:

(1) Has been split into two or more parcels by reason of the sale or conveyance of any portion of the original assessment parcel.

(2) Overlaps two or more counties, cities, districts, or election precincts, or any combination of those entities or precincts.

Any of these estimates shall be conclusively presumed to be assessed values for the purpose of this division, but shall be given no force or effect for other purposes.

Determination that a district is not a district

56127. If the legislative body of any of the districts, agencies, or authorities enumerated in subdivision (c) of Section 56036 desires a determination by the commission that the district, agency, or authority is not a district or a special district, for purposes of Part 4 (commencing with Section 57000) or Part 5 (commencing with Section 57300), the legislative body, prior to the adoption of any ordinance, resolution, or order proposing, declaring an intention, or initiating proceedings to make a change of organization, shall make application to the

commission of the principal county describing the proposed change of organization and requesting that determination. If a proposal is initiated by other than the legislative body of a district or special district, the district or special district may, within 10 days of notification by the commission of the initiation of the proposal, request a determination by the commission that it is not a district or special district for purposes of Part 4 (commencing with Section 57000) or Part 5 (commencing with Section 57300). That application shall be filed with the executive officer and shall be presented to the commission not later than its next regular meeting. The executive officer shall give the legislative body filing the application mailed notice of the time and place at which the application shall be presented to the commission. No other notice is required to be given. However, the commission may, prior to making its findings and determinations, order the executive officer to give notice of the filing and presentation of the application by publication or by mailing to other affected counties, cities, and districts, or by both publication and mailing.

**Application for
determination;
commission findings**

56128. (a) Upon presentation of any application filed pursuant to Section 56127, the commission shall determine that the applicant district, agency, or authority is not a district or special district for purposes of Part 4 (commencing with Section 57000) or Part 5 (commencing with Section 57300), if the commission finds that the applicant is not engaged in any of the following:

(1) The distribution and sale for any purpose, other than for the purpose of resale, of water or of gas or electricity for light, heat, or power.

(2) Furnishing sanitary sewer service or garbage and refuse collection service to the ultimate users, as defined in subdivision (b), of those services.

(3) Providing fire or police protection.

(4) The acquisition, construction, maintenance, lighting, or operation of streets and highways, street and highway improvements, or park and recreation facilities, except as an incident to the exercise of other lawful powers of the applicant.

"Ultimate user"

(b) "Ultimate user" means any user or consumer other than the state, the United States, a city, a county, or a district, or any agency, department, or office of any of those entities or a public utility.

If the commission determines that any applicant district, agency, or authority enumerated in subdivision (c) of Section 56036 is not a district or special district, for purposes of Part 4 (commencing with Section 57000) or Part 5 (commencing with Section 57300), then those provisions shall not apply to the

change of organization or reorganization described in the application and proceedings for the change of organization or reorganization shall be taken under and pursuant to the principal act. If no application is made to the commission, or if the commission in passing upon an application does not determine that the applicant is not a district or special district for the purposes of Part 4 (commencing with Section 57000) or Part 5 (commencing with Section 57300), then this division shall provide the sole and exclusive authority for the initiation, conduct, and completion for a change of organization or reorganization by that district, agency, or authority and, to the extent of any inconsistency between this division and the principal act of the applicant, this division shall control.

Public utility; certificate of public convenience and necessity; gas or electric service

56129. (a) If a public utility has been granted a certificate of public convenience and necessity authorizing and requiring it to furnish gas or electric service within a certain service area and, as a result of a change of organization or a reorganization, territory consisting of all, or any part, of that service area becomes a part of, or is formed into, a district authorized by its principal act to furnish gas or electric service, the district shall not furnish that service within the territory except upon approval by both of the following:

Report of the Public Utilities Commission

(1) The commission after receipt and consideration of the report of the Public Utilities Commission made as provided in Section 56131.

Voter approval

(2) The voters within the territory, given at an election as provided in Section 56130.

(b) If both of those approvals are given, upon assumption of service by the district the public utility may at any time thereafter withdraw service within the territory, unless otherwise ordered by the Public Utilities Commission.

(c) "Gas or electric service," as used in this section and in Sections 56130, 56131, and 56875, means the distribution and sale for any purpose, other than for the purpose of resale, of gas or electricity for light, heat, or power.

Election requirements

56130. Voter approval within the territory, as required by Section 56129, shall be given at an election. The question submitted at the election shall identify the district, designate the kind of service to be furnished, identify the territory within which the service is proposed to be furnished, and state the name of the public utility presently authorized to furnish the gas or electric service within the territory.

The district shall not furnish the gas or electric service, as defined in subdivision (c) of Section 56129, within the territory unless the question of furnishing the gas or electric service has been submitted to the voters at an election called, held, and

conducted within the territory and a majority of the votes cast upon the question are in favor of the service. The board of supervisors or the legislative body of the conducting district may submit the question at the election called upon the question of confirmation of an order of change of organization or reorganization, or the board of directors of the district may submit the question of the gas or electric service at a special election called after completion of the proceedings for a change of organization or a reorganization. The question of the service shall be submitted as a separate proposition at any election within the territory and shall be voted upon only by qualified voters within the territory. If the question is defeated at the election, for one year thereafter no petition requesting the gas or electric service may be filed and no new election called upon the question.

Proposals filed with the Public Utilities Commission

56131. The executive officer shall file with the Public Utilities Commission a certified copy of any proposal for a change of organization or a reorganization which provides, as a part of the change of organization or reorganization, that gas or electric service, as defined in subdivision (c) of Section 56129, be furnished by a district within any of the territory affected by the change of organization or reorganization. The certified copy need not contain any signatures if the proposal is by petition. After that change of organization or reorganization has been ordered, the clerk of the district shall file with the Public Utilities Commission a certified copy of any ordinance, resolution, or order made by the board of directors of a district proposing to furnish gas or electric service, as defined in subdivision (c) of Section 56129, within the territory.

Public Utilities Commission investigation and report

After that filing, the Public Utilities Commission shall cause an investigation to be made and may conduct any hearings in connection with the proposal. Upon completion of the investigation and not later than 90 days after the date of the filing, the Public Utilities Commission shall make a report to the commission stating whether, in the opinion of the Public Utilities Commission, the proposed service by the district within the territory will substantially impair the ability of the public utility to provide adequate service at reasonable rates within the remainder of the service area of the public utility.

The secretary of the Public Utilities Commission shall immediately file a certified copy of that report with the executive officer.

Local hospital districts; notification of state agencies

56131.5. Upon the filing of an application for the formation of, annexation to, consolidation of, or dissolution of a local hospital district created pursuant to Division 23 (commencing with Section 32000) of the Health and Safety Code or of an

application for a reorganization including any of those changes of organization or the initiation by the commission of any of those changes of organization or any reorganization including any of those changes of organization, the commission shall notify all state agencies that have oversight or regulatory responsibility over, or a contractual relationship with, the local hospital district that is the subject of the proposed change of organization or reorganization, of its receipt of the application or the initiation by the commission of the proposed change of organization or reorganization and the proposal, including, but not limited to, the following:

When the formation of a new government entity is proposed, a commission shall make a determination as to whether existing agencies can feasibly provide the needed service or services in a more efficient and accountable manner. (2) As an alternative to the delivery or certified mail, the executive officer, with the prior concurrence of the district, may transmit the ballot and voting instructions by electronic mail, provided that the executive officer shall retain written evidence of the receipt of that material.

Ballot requirements

(3) The ballot shall include the names of all nominees and the office for which each was nominated. The districts shall return

the ballots to the executive officer by the date specified in the voting instructions, which date shall be at least 30 days from the date on which the executive officer mailed the ballots to the districts.

Ballot validation and results

(4) If the executive officer has transmitted the ballot and voting instructions by electronic mail, the districts may return the ballots to the executive officer by electronic mail, provided that the executive officer retains written evidence of the receipt of the ballot.

(5) Any ballot received by the executive officer after the specified date is invalid. The executive officer shall announce the results of the election within seven days of the specified date.

Appointment of special district members

(d) The selection committee shall appoint two regular members and one alternate member to the commission. The members so appointed shall be elected or appointed special district officers residing within the county but shall not be members of the legislative body of a city or county. If one of the regular district members is absent from a commission meeting or disqualifies himself or herself from participating in a meeting, the alternate district member may serve and vote in place of the regular district member for that meeting. The representation by a regular district member who is a special district officer shall not disqualify, or be cause for disqualification of, the member from acting on a proposal affecting the special district. The special district selection committee may, at the time it appoints a member or alternate, provide that the member or alternate is disqualified from voting on proposals affecting the district of which the member is a representative.

District member disqualification

(e) If the office of a regular district member becomes vacant, the alternate member may serve and vote in place of the former regular district member until the appointment and qualification of a regular district member to fill the vacancy.

(Amended by Stats. 2007, Ch. 244.)

Representation of independent special districts

56332.5. If the commission does not have representation from independent special districts on January 1, 2001, the commission shall initiate proceedings for representation of independent special districts upon the commission if requested by independent special districts pursuant to this section. If an independent special district adopts a resolution proposing representation of independent special districts upon the commission, it shall immediately forward a copy of the resolution to the executive officer. Upon receipt of those resolutions from a majority of independent special districts within a county, adopted by the districts within one year from the date that the first resolution was adopted, the commission,

Proceedings

Meeting

at its next regular meeting, shall adopt a resolution of intention. The resolution of intention shall state whether the proceedings are initiated by the commission or by an independent special district or districts, in which case, the names of those districts shall be set forth. The commission shall order the executive officer to call and give notice of a meeting of the independent special district selection committee to be held within 15 days after the adoption of the resolution in order to select independent special district representation on the commission pursuant to Section 56332.

Appointment of public member when commission includes special district representation

56333. When a commission is enlarged to seven members as provided in Section 56332, the public members appointed pursuant to Sections 56325 and 56329 shall thereafter be appointed by members of the commission representing cities, counties, and special districts. Those appointments shall be made at the times and in the manner provided in Section 56334.

Terms of commissioners

56334. The term of office of each member shall be four years and until the appointment and qualification of his or her successor. Upon enlargement of the commission by two members, as provided in Section 56332, the new members first appointed to represent independent special districts shall classify themselves by lot so that the expiration date of the term of office of one new member coincides with the existing member who holds the office represented by the original two-year term on the commission and the term of office of the other new member coincides with the existing member who holds the office represented by the original four-year term on the commission. The body which originally appointed a member whose term has expired shall appoint his or her successor for a full term of four years. Any member may be removed at any time and without cause by the body appointing that member. The expiration date of the term of office of each member shall be the first Monday in May in the year in which the term of the member expires, unless procedures adopted by the commission specify an alternate date to apply uniformly to all members. However, the length of a term of office shall not be extended more than once. Any vacancy in the membership of the commission shall be filled for the unexpired term by appointment by the body which originally appointed the member whose office has become vacant.

Removal from commission

Vacancies

Chairperson

The chairperson of the commission shall be selected by the members of the commission.

Reimbursement of expenses; per diem

Commission members and alternates shall be reimbursed for the actual amount of their reasonable and necessary expenses incurred in attending meetings and in performing the duties of

their office. The commission may authorize payment of a per diem to commission members and alternates for each day while they are in attendance at meetings of the commission.

City selection committee

56335. In each county containing two or more cities, regular and alternate city members to the commission shall be appointed by the city selection committee organized in the county pursuant to and in the manner provided in Article 11 (commencing with Section 50270) of Chapter 1 of Part 1 of Division 1. Regular members of the commission shall be appointed by the city selection committee pursuant to Sections 56325, 56326, and 56327.

The city selection committee shall appoint one alternate member to the commission in the same manner as it appoints a regular member. If one of the regular city members is absent from a commission meeting, or disqualifies himself or herself from participating in a meeting, the alternate member may serve and vote in place of that regular city member for that meeting.

Except in the case of a member appointed pursuant to subdivision (d) of Section 56326 or subdivision (b) of Section 56327, a city selection committee, may, at the time it appoints a member or alternate, provide that the member or alternate is disqualified from voting on proposals affecting the city which the member or alternate represents.

If the office of a regular city member becomes vacant, the alternate member may serve and vote in place of the former regular city member until the appointment and qualification of a regular city member to fill the vacancy.

Disqualification of members; regulations

56336. Each commission may adopt regulations with respect to disqualification of members or alternates from participating in the review of a proposal. In the absence, however, of those regulations, Section 56332 or 56335 shall apply. The representation by a member or alternate of a city or district shall not disqualify, or be cause for disqualification of, the member or alternate from acting on a proposal affecting the city or the district, and any regulation providing for the disqualification of a city or district representative for that reason is null and void.

City, county, and district members may serve while holding office

56337. A city, county, or district officer may serve as a member of the commission while holding office as a city, county, or district officer. If a member who is a city, county, or district officer ceases to be an officer of a city, county, or district during his or her term, his or her membership on the commission shall be considered vacant.

CHAPTER 3. POWERS

LAFCO powers and duties

56375. The commission shall have all of the following powers and duties subject to any limitations upon its jurisdiction set forth in this part:

To review and approve, conditionally approve, modify, or disapprove proposals

(a) To review and approve or disapprove with or without amendment, wholly, partially, or conditionally, proposals for changes of organization or reorganization, consistent with written policies, procedures, and guidelines adopted by the commission. *** **A commission shall have the authority to**

To initiate certain proceedings

initiate only a (1) consolidation of districts, as defined in Section 56036, (2) dissolution, (3) merger, (4) establishment of a subsidiary district, *** (5) **formation of a new district or districts, or (6)** a reorganization that includes any of these changes of organization, if that change of organization or reorganization is consistent with a recommendation or conclusion of a study prepared pursuant to Section 56378, 56425, or 56430 and the commission makes the determinations specified in subdivision (b) of Section 56881. However, a commission shall not have the power to disapprove an annexation to a city, initiated by resolution, of contiguous territory that the commission finds is any of the following:

Disapproval limitation

(1) Surrounded or substantially surrounded by the city to which the annexation is proposed or by that city and a county boundary or the Pacific Ocean if the territory to be annexed is substantially developed or developing, is not prime agricultural land as defined in Section 56064, is designated for urban growth by the general plan of the annexing city, and is not within the sphere of influence of another city.

(2) Located within an urban service area that has been delineated and adopted by a commission, which is not prime agricultural land, as defined by Section 56064, and is designated for urban growth by the general plan of the annexing city.

(3) An annexation or reorganization of unincorporated islands meeting the requirements of Section 56375.3.

As a condition to the annexation of an area that is surrounded, or substantially surrounded, by the city to which the annexation is proposed, the commission may require, where consistent with the purposes of this division, that the annexation include the entire island of surrounded, or substantially surrounded, territory.

Conditions regulating land use prohibited

A commission shall not impose any conditions that would directly regulate land use density or intensity, property development, or subdivision requirements. When the development purposes are not made known to the annexing city, the annexation shall be reviewed on the basis of the adopted plans and policies of the annexing city or county. A

Prezoning requirement

commission shall require, as a condition to annexation, that a city prezone the territory to be annexed or present evidence satisfactory to the commission that the existing development entitlements on the territory are vested or are already at buildout, and are consistent with the city's general plan. However, the commission shall not specify how, or in what manner, the territory shall be prezoned. The decision of the commission with regard to a proposal to annex territory to a city shall be based upon the general plan and prezoning of the city.

To determine whether territory is inhabited or uninhabited

(b) With regard to a proposal for annexation or detachment of territory to, or from, a city or district or with regard to a proposal for reorganization that includes annexation or detachment, to determine whether territory proposed for annexation or detachment, as described in its resolution approving the annexation, detachment, or reorganization, is inhabited or uninhabited.

To determine successor city or district

(c) With regard to a proposal for consolidation of two or more cities or districts, to determine which city or district shall be the consolidated, successor city or district.

To approve annexation of noncontiguous city-owned land

(d) To approve the annexation of unincorporated, noncontiguous territory, subject to the limitations of Section 56742, located in the same county as that in which the city is located, and that is owned by a city and used for municipal purposes and to authorize the annexation of the territory without notice and hearing.

Change of prezoning; two-year limitation

(e) To approve the annexation of unincorporated territory consistent with the planned and probable use of the property based upon the review of general plan and prezoning designations. No subsequent change may be made to the general plan for the annexed territory or zoning that is not in conformance to the prezoning designations for a period of two years after the completion of the annexation, unless the legislative body for the city makes a finding at a public hearing that a substantial change has occurred in circumstances that necessitate a departure from the prezoning in the application to the commission.

Number of registered voters for incorporation

(f) With respect to the incorporation of a new city or the formation of a new special district, to determine the number of registered voters residing within the proposed city or special district or, for a landowner-voter special district, the number of owners of land and the assessed value of their land within the territory proposed to be included in the new special district. The number of registered voters shall be calculated as of the time of the last report of voter registration by the county elections official to the Secretary of State prior to the date the first signature was affixed to the petition. The executive officer shall notify the petitioners of the number of registered

Date of count

To adopt standards for evaluating proposals	voters resulting from this calculation. The assessed value of the land within the territory proposed to be included in a new landowner-voter special district shall be calculated as shown on the last equalized assessment roll.
To adopt standards for evaluation service plans	(g) To adopt written procedures for the evaluation of proposals, including written definitions not inconsistent with existing state law. The commission may adopt standards for any of the factors enumerated in Section 56668. Any standards adopted by the commission shall be written.
To make hearing regulations	(h) To adopt standards and procedures for the evaluation of service plans submitted pursuant to Section 56653 and the initiation of a change of organization or reorganization pursuant to subdivision (a).
To incur expenses	(i) To make and enforce regulations for the orderly and fair conduct of hearings by the commission.
To appoint or contract for staff	(j) To incur usual and necessary expenses for the accomplishment of its functions.
To review boundaries	(k) To appoint and assign staff personnel and to employ or contract for professional or consulting services to carry out and effect the functions of the commission.
To waive island restrictions; findings required	(l) To review the boundaries of the territory involved in any proposal with respect to the definiteness and certainty of those boundaries, the nonconformance of proposed boundaries with lines of assessment or ownership, and other similar matters affecting the proposed boundaries.
To waive automotive detachment from a county service area; specific findings required	(m) To waive the restrictions of Section 56744 if it finds that the application of the restrictions would be detrimental to the orderly development of the community and that the area that would be enclosed by the annexation or incorporation is so located that it cannot reasonably be annexed to another city or incorporated as a new city.
To determine exchange of property tax revenue for formation or incorporation	(n) To waive the application of Section 25210.90 or Section 22613 of the Streets and Highways Code if it finds the application would deprive an area of a service needed to ensure the health, safety, or welfare of the residents of the area and if it finds that the waiver would not affect the ability of a city to provide any service. However, within 60 days of the inclusion of the territory within the city, the legislative body may adopt a resolution nullifying the waiver.
To authorize service outside boundaries	(o) If the proposal includes the incorporation of a city, as defined in Section 56043, or the formation of a district, as defined in Section 2215 of the Revenue and Taxation Code, the commission shall determine the property tax revenue to be exchanged by the affected local agencies pursuant to Section 56810.
	(p) To authorize a city or district to provide new or extended services outside its jurisdictional boundaries pursuant to Section 56133.

To make agreements with adjoining commissions

(q) To enter into an agreement with the commission for an adjoining county for the purpose of determining procedures for the consideration of proposals that may affect the adjoining county or where the jurisdiction of an affected agency crosses the boundary of the adjoining county.
(Amended by Stats. 2007, Ch. 98.)

Island annexations without protest proceedings

56375.3. (a) In addition to those powers enumerated in Section 56375, a commission shall do either of the following:

(1) Approve, after notice and hearing, the annexation to a city, and waive protest proceedings pursuant to Part 4 (commencing with Section 57000) entirely, if all of the following are true:

(A) The annexation is initiated on or after January 1, 2000, and before January 1, 2014.

(B) The annexation is proposed by resolution adopted by the affected city.

(C) The commission finds that the territory contained in the annexation proposal meets all of the requirements set forth in subdivision (b).

(2) Approve, after notice and hearing, the annexation to a city, subject to subdivision (a) of Section 57080, if all of the following are true:

(A) The annexation is initiated on or after January 1, 2014.

(B) The annexation is proposed by resolution adopted by the affected city.

(C) The commission finds that the territory contained in the annexation proposal meets all of the requirements set forth in subdivision (b).

(b) Subdivision (a) applies to territory that meets all of the following requirements:

(1) It does not exceed 150 acres in area, and that area constitutes the entire island.

(2) The territory constitutes an entire unincorporated island located within the limits of a city, or constitutes a reorganization containing a number of individual unincorporated islands.

(3) It is surrounded in either of the following ways:

(A) Surrounded, or substantially surrounded, by the city to which annexation is proposed or by the city and a county boundary or the Pacific Ocean.

(B) Surrounded by the city to which annexation is proposed and adjacent cities.

(C) This subdivision shall not be construed to apply to any unincorporated island within a city that is a gated community where services are currently provided by a community services district.

Size restriction

"Surrounded" described

Separate property tax agreement

(D) Notwithstanding any other provision of law, at the option of either the city or the county, a separate property tax transfer agreement may be agreed to between a city and a county pursuant to Section 99 of the Revenue and Taxation Code regarding an annexation subject to this subdivision without affecting any existing master tax sharing agreement between the city and county.

Developed or developing

(4) It is substantially developed or developing. The finding required by this subparagraph shall be based upon one or more factors, including, but not limited to, any of the following factors:

(A) The availability of public utility services.

(B) The presence of public improvements.

(C) The presence of physical improvements upon the parcel or parcels within the area.

Non-prime

(5) It is not prime agricultural land, as defined by Section 56064.

Benefits

(6) It will benefit from the annexation or is receiving benefits from the annexing city.

Exclusion

(c) Notwithstanding any other provision of this subdivision, this subdivision shall not apply to all or any part of that portion of the development project area referenced in subdivision (e) of Section 33492.41 of the Health and Safety Code that as of January 1, 2000, meets all of the following requirements:

(1) Is unincorporated territory.

(2) Contains at least 100 acres.

(3) Is surrounded or substantially surrounded by incorporated territory.

(4) Contains at least 100 acres zoned for commercial or industrial uses or is designated on the applicable county general plan for commercial or industrial uses.

NOTE: Stats. 2004, Ch. 805, created the following uncodified provisions pertaining to county island annexations:

Island annexations; special provisions for Simi Valley

SECTION 1: Notwithstanding any other provision of law, on or before December 31, *** **2014**, the local agency formation commission in the County of Ventura shall not impose a condition that requires the City of Simi Valley to initiate proceedings on a proposal for a change of organization or reorganization pursuant to paragraph (3) of subdivision (a) of Section 56375 of the Government Code or pursuant to Section 56375.3 of the Government Code unless the territory that would be affected is contiguous and physically related to the affected territory.

(Amended by Stats. 2007, Ch. 244.)

SECTION 2. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the unique circumstances of the City of Simi Valley. The facts constituting the special circumstances are:

There are seven areas of unincorporated territory that are surrounded or substantially surrounded by the City of Simi Valley. The city intends to explore the possibility of annexing those unincorporated territories ***. The Legislature wants to allow city officials, property owners, and residents to discuss those possible annexations without undue influence.

(Amended by Stats. 2007, Ch. 244.)

Limitation on island proceedings

56375.4. (a) The authority to initiate, conduct, and complete any proceeding pursuant to subdivision (a) of Section 56375.3 does not apply to any territory that, after January 1, 2000, became surrounded or substantially surrounded by the city to which annexation is proposed. The authority to initiate, conduct, and complete any proceeding pursuant to paragraph (1) of subdivision (a) of Section 56375.3 shall expire January 1, 2014. The period of time between January 1, 2000, and January 1, 2014, shall not include any period of time during which, in an action pending in any court, a local agency is enjoined from conducting proceedings pursuant to paragraph (1) of subdivision (a) of Section 56375.3. Upon final disposition of that case, the previously enjoined local agency may initiate, conduct, and complete proceedings pursuant to paragraph (1) of subdivision (a) of Section 56375.3 for the same period of time as was remaining under that 14-year limit at the time the injunction commenced. However, if the remaining time is less than six months, that authority shall continue for six months following final disposition of the action.

(b) Between January 1, 2000, and January 1, 2014, no new proposal involving the same or substantially the same territory as a proposal initiated pursuant to paragraph (1) of subdivision (a) of Section 56375.3 after January 1, 2000, shall be initiated for two years after the date of adoption by the commission of a resolution terminating proceedings.

Spheres; consistency

56375.5. Every determination made by a commission regarding the matters provided for by subdivisions (a), (m), and (n) of Section 56375 and by subdivision (a) of Section 56375.3 shall be consistent with the spheres of influence of the local agencies affected by those determinations.

Limitation on conditions requiring service outside sphere of influence

56376. The commission shall not impose a condition for the provision of services by the annexing city to an area which has not been placed within that city's adopted sphere of influence, as defined in Section 56076, unless that condition would mitigate effects which are a direct result of the annexation.

In the case of any annexation proposal for which a certificate of completion was not recorded prior to January 1, 1985, a condition imposed thereon which does not comply with the requirements of this section is null and void and shall not affect the validity of, or terminate the annexation proceedings.

Limitations on conditions for road maintenance or public facility improvements

56376.5. (a) The commission shall not impose any condition on an annexing local agency with respect to the standards or frequency of maintenance of any existing street or road within the annexed territory.

(b) The commission shall not impose a condition which requires a local agency to improve an existing public facility which is not owned by the agency.

(c) This section shall not be construed as authorizing a commission to impose any conditions which it is not otherwise authorized to impose.

Open-space land conversion; policies and priorities

56377. In reviewing and approving or disapproving proposals which could reasonably be expected to induce, facilitate, or lead to the conversion of existing open-space lands to uses other than open-space uses, the commission shall consider all of the following policies and priorities:

(a) Development or use of land for other than open-space uses shall be guided away from existing prime agricultural lands in open-space use toward areas containing nonprime agricultural lands, unless that action would not promote the planned, orderly, efficient development of an area.

(b) Development of existing vacant or nonprime agricultural lands for urban uses within the existing jurisdiction of a local agency or within the sphere of influence of a local agency should be encouraged before any proposal is approved which would allow for or lead to the development of existing open-space lands for non-open-space uses which are outside of the existing jurisdiction of the local agency or outside of the existing sphere of influence of the local agency.

Development within jurisdiction

Authorization to initiate studies and request information from other governmental agencies

56378. In addition to its other powers, the commission shall initiate and make studies of existing governmental agencies. Those studies shall include, but shall not be limited to, inventorying those agencies and determining their maximum service area and service capacities. In conducting those studies, the commission may ask for land use information, studies, and plans of cities, counties, districts, including school

districts, community college districts, and regional agencies and state agencies and departments. Cities, counties, districts, including school districts, community college districts, regional agencies, and state agencies and departments, shall comply with the request of the commission for that information and the commission shall make its studies available to public agencies and any interested person. In making these studies, the commission may cooperate with the county planning commissions.

Grants-in-aid

The commission, or the board of supervisors on behalf of the commission, may apply for or accept, or both, any financial assistance and grants-in-aid from public or private agencies or from the state or federal government or from a local government.

Request for transcript of commission meetings

56379. Any person may, prior to any meeting, request the commission to cause a stenographic or electromagnetic record to be made of a meeting. If the cost of making that record is borne by that person, the commission shall cause the record to be made. The commission may require any person requesting the record to be made to deposit the estimated cost of making the record with the commission prior to the hearing.

Personnel and facilities

56380. The commission shall make its own provision for necessary quarters, equipment, and supplies as well as personnel. The commission may choose to contract with any public agency or private party for personnel and facilities.

Annual budget

56381. (a) The commission shall adopt annually, following noticed public hearings, a proposed budget by May 1 and final budget by June 15. At a minimum, the proposed and final budget shall be equal to the budget adopted for the previous fiscal year unless the commission finds that reduced staffing or program costs will nevertheless allow the commission to fulfill the purposes and programs of this chapter. The commission shall transmit its proposed and final budgets to the board of supervisors***, to each city ***, **and** to each independent special district ***.

Transmission of budget

Apportionment by auditor

(b) After public hearings, consideration of comments, and adoption of a final budget by the commission pursuant to subdivision (a), the auditor shall apportion the net operating expenses of a commission in the following manner:

Commission with city and district representation

(1) (A) In counties in which there is city and independent special district representation on the commission, the county, cities, and independent special districts shall each provide a one-third share of the commission's operational costs.

(B) The cities' share shall be apportioned in proportion to each city's total revenues, as reported in the most recent edition

of the Cities Annual Report published by the Controller, as a percentage of the combined city revenues within a county, or by an alternative method approved by a majority of cities representing the majority of the combined cities' populations.

(C) The independent special districts' share shall be apportioned in proportion to each district's total revenues as a percentage of the combined total district revenues within a county. Except as provided in subparagraph (D), an independent special district's total revenue shall be calculated for nonenterprise activities as total revenues for general purpose transactions less revenue category aid from other governmental agencies and for enterprise activities as total operating and nonoperating revenues less revenue category other governmental agencies, as reported in the most recent edition of the "Special Districts Annual Report" published by the Controller, or by an alternative method approved by a majority of the agencies, representing a majority of their combined populations. For the purposes of fulfilling the requirement of this section, a multicounty independent special district shall be required to pay its apportionment in its principal county. It is the intent of the Legislature that no single district or class or type of district shall bear a disproportionate amount of the district share of costs.

(D) (i) For purposes of apportioning costs to a health care district formed pursuant to Division 23 (commencing with Section 32000) of the Health and Safety Code that operates a hospital, a health care district's share, except as provided in clauses (ii) and (iii), shall be apportioned in proportion to each district's net from operations as reported in the most recent edition of the hospital financial disclosure report form published by the Office of Statewide Health Planning and Development, as a percentage of the combined independent special districts' net operating revenues within a county.

(ii) A health care district for which net from operations is a negative number may not be apportioned any share of the commission's operational costs until the fiscal year following positive net from operations, as reported in the most recent edition of the hospital financial disclosure report form published by the Office of Statewide Health Planning and Development.

(iii) A health care district that has filed and is operating under public entity bankruptcy pursuant to federal bankruptcy law, shall not be apportioned any share of the commission's operational costs until the fiscal year following its discharge from bankruptcy.

(iv) As used in this subparagraph "net from operations" means total operating revenue less total operating expenses.

(E) Notwithstanding the requirements of subparagraph (C), the independent special districts' share may be apportioned by an alternative method approved by a majority of the districts, representing a majority of the combined populations. However, in no event shall an individual district's apportionment exceed the amount that would be calculated pursuant to subparagraphs (C) and (D), or in excess of 50 percent of the total independent special districts' share, without the consent of that district.

(F) Notwithstanding the requirements of subparagraph (C), no independent special district shall be apportioned a share of more than 50 percent of the total independent special districts' share of the commission's operational costs, without the consent of the district as otherwise provided in this section. In those counties in which a district's share is limited to 50 percent of the total independent special districts' share of the commission's operational costs, the share of the remaining districts shall be increased on a proportional basis so that the total amount for all districts equals the share apportioned by the auditor to independent special districts.

Commissions without district representation

(2) In counties in which there is no independent special district representation on the commission, the county and its cities shall each provide a one-half share of the commission's operational costs. The cities' share shall be apportioned in the manner described in paragraph (1).

Counties with no cities

(3) In counties in which there are no cities, the county and its special districts shall each provide a one-half share of the commission's operational costs. The independent special districts' share shall be apportioned in the manner described for cities' apportionment in paragraph (1). If there is no independent special district representation on the commission, the county shall pay all of the commission's operational costs.

Alternative apportionment

(4) Instead of determining apportionment pursuant to paragraph (1), (2), or (3), any alternative method of apportionment of the net operating expenses of the commission may be used if approved by a majority vote of each of the following: the board of supervisors; a majority of the cities representing a majority of the total population of cities in the county; and the independent special districts representing a majority of the combined total population of independent special districts in the county. However, in no event shall an individual district's apportionment exceed the amount that would be calculated pursuant to subparagraphs (C) and (D) of paragraph (1), or in excess of 50 percent of the total independent special districts' share, without the consent of that district.

Auditor requests payment by July 1

(c) After apportioning the costs as required in subdivision (b), the auditor shall request payment from the board of supervisors and from each city and each independent special

district no later than July 1 of each year for the amount that entity owes and the actual administrative costs incurred by the auditor in apportioning costs and requesting payment from each entity. If the county, a city, or an independent special district does not remit its required payment within 60 days, the commission may determine an appropriate method of collecting the required payment, including a request to the auditor to collect an equivalent amount from the property tax, or any fee or eligible revenue owed to the county, city, or district. The auditor shall provide written notice to the county, city, or district prior to appropriating a share of the property tax or other revenue to the commission for the payment due the commission pursuant to this section. Any expenses incurred by the commission or the auditor in collecting late payments or successfully challenging nonpayment shall be added to the payment owed to the commission. Between the beginning of the fiscal year and the time the auditor receives payment from each affected city and district, the board of supervisors shall transmit funds to the commission sufficient to cover the first two months of the commission's operating expenses as specified by the commission. When the city and district payments are received by the commission, the county's portion of the commission's annual operating expenses shall be credited with funds already received from the county. If, at the end of the fiscal year, the commission has funds in excess of what it needs, the commission may retain those funds and calculate them into the following fiscal year's budget. If, during the fiscal year, the commission is without adequate funds to operate, the board of supervisors may loan the commission funds. The commission shall appropriate sufficient funds in its budget for the subsequent fiscal year to repay the loan.

(Amended by Stats. 2007, Ch. 244.)

56381.6. (a) Notwithstanding the provisions of Section 56381, for counties whose membership on the commission is established pursuant to Sections 56326, 56326.5, 56327, or 56328, the commission's annual operational costs shall be apportioned among the classes of public agencies that select members on the commission in proportion to the number of members selected by each class. The classes of public agencies that may be represented on the commission are the county, the cities, and independent special districts. Any alternative cost apportionment procedure may be adopted by the commission, subject to a majority affirmative vote of the commission that includes the affirmative vote of at least one of the members selected by the county, one of the members

selected by the cities, and one of the members selected by districts, if special districts are represented on the commission.

Commission to give great weight to agreement

Consistency with agreement

(c) If the commission's final determination is consistent with the agreement reached between the city and county pursuant to subdivision (b), the agreement shall be adopted by both the city and county after a noticed public hearing. Once the agreement has been adopted by the affected local agencies and their respective general plans reflect that agreement, then any development approved by the county within the sphere shall be consistent with the terms of that agreement.

(d) If no agreement is reached pursuant to subdivision (b), the application may be submitted to the commission and the commission shall consider a sphere of influence for the city consistent with the policies adopted by the commission pursuant to this section.

(h) The commission may recommend governmental reorganizations to particular agencies in the county, using the spheres of influence as the basis for those recommendations. (a) A determination of a city's sphere of influence, in any case where that sphere of influence includes any portion of the redevelopment project area referenced in subdivision (e) of Section 33492.41 of the Health and Safety Code, shall not preclude any other local agency, as defined in Section 54951, including the redevelopment agency referenced in Section 33492.41 of the Health and Safety Code, in addition to that city, from providing facilities or services related to development, as defined in subdivision (e) of Section 56426, to or in that portion of the redevelopment project area that, as of January 1, 2000, meets all of the following requirements:

- (2) Contains at least 100 acres.
- (3) Is surrounded or substantially surrounded by incorporated territory.
- (4) Contains at least 100 acres zoned for commercial or industrial uses or is designated on the applicable county general plan for commercial or industrial uses.

(b) Facilities or services related to development may be provided by other local agencies to all or any portion of the area defined in paragraphs (1) to (4), inclusive, of subdivision (a). Subdivision (a) shall apply regardless of whether the determination of the sphere of influence is made before or after January 1, 2000.

Spheres of influence; farmland security zones

56426. The commission shall not approve or conditionally approve a change to the sphere of influence of a local government agency of territory that is subject to a farmland security zone contract pursuant to Article 7 (commencing with Section 51296) of Chapter 7 of Part 1 of Division 1, if that local government agency provides or would provide facilities or services related to sewers, nonagricultural water, or streets and roads to the territory, unless these facilities or services benefit land uses that are allowed under the contract and the landowner consents to the change to the sphere of influence.

Sphere of influence of proposed or newly incorporated city

56426.5. (a) Beginning January 1, 1990, at the time a commission approves a proposal for an incorporation or a reorganization which includes an incorporation, the commission may determine the sphere of influence for the proposed new city. (b) Notwithstanding subdivision (a), the commission may nevertheless approve a change for that territory if it finds either of the following:

(1) That the change would facilitate planned, orderly, and efficient patterns of land use or provision of services, and the public interest in the change substantially outweighs the public interest in the current continuation of the contract beyond its current expiration date.

(2) That the change is not likely to adversely affect the continuation of the contract beyond its current expiration date.

In making this determination, the commission shall consider all of the following:

(A) The policies and implementation measures adopted by the city or county that would administer the contract both before and after any ultimate annexation, relative to the continuation of agriculture or other uses allowable under the contract.

(B) The infrastructure plans of the annexing agency.

(C) Other factors that the commission deems relevant.

(c) This section shall not apply to any of the following:

(1) Territory that is subject to a contract for which a notice of nonrenewal has been served pursuant to Section 51245.

(2) Territory that is subject to a contract for which a tentative cancellation has been approved pursuant to Section 51282.

56427. The commission shall adopt, amend, or revise spheres of influence after a public hearing called and held for that purpose. At least 21 days prior to the date of that hearing, the executive officer shall give mailed notice of the hearing to each affected local agency or affected county, and to any interested party who has filed a written request for notice with the

executive officer. In addition, at least 21 days prior to the date of that hearing, the executive officer shall cause notice of the hearing to be published in accordance with Section 56153 in a newspaper of general circulation which is circulated within the territory affected by the sphere of influence proposed to be adopted. The commission may continue from time to time any hearing called pursuant to this section.

At any hearing called and held pursuant to this section, the commission shall hear and consider oral or written testimony presented by any affected local agency or affected county or any interested person who wishes to appear.

This section shall only apply to spheres of influence adopted by the commission after January 1, 1975.

Hearing

(d) At its meeting, the commission shall consider the request and receive any oral or written testimony. The consideration may be continued from time to time but not to exceed 70 days from the date specified in the original notice. The person or agency which filed the request may withdraw it at any time prior to the conclusion of the consideration by the commission.

Determination and decision

(e) At the conclusion of its consideration, the commission may approve or disapprove with or without amendment,

wholly, partially, or conditionally, the request. The commission shall follow the procedures in Section 56425.

Fee

(f) The commission may require the person or agency making a request pursuant to this section to pay a fee to cover the commission's costs. The fee shall not exceed the estimated reasonable cost of providing the service and shall be set pursuant to Section 56383. The commission may waive the fee if it finds that the request can be considered and studied as part of the periodic review of spheres of influence required by Section 56425. In addition, the commission may waive the fee if it finds that payment would be detrimental to the public interest.

(g) The commission and executive officer may review and act on any request to amend a sphere of influence or urban service area concurrently with their review and determination on any related change of organization or reorganization. In case of a conflict between the provisions of this section and any other provisions of this part, the other provisions shall prevail.

56429. (a) Notwithstanding Sections 56425, 56427, and 56428, a petition for removal of territory from a sphere of influence determination may be brought pursuant to this section by landowners within the redevelopment project area referenced in subdivision (e) of Section 33492.41 of the Health and Safety Code, if, at the time the petition is submitted, the area for which the petition is being requested meets all of the following requirements:

- (2) Contains at least 100 acres.
- (3) Is surrounded or substantially surrounded by incorporated territory.

(4) Contains at least 100 acres zoned for commercial or industrial uses or is designated on the applicable county general plan for commercial or industrial uses.

(c) The petition shall be placed on the agenda of the commission in accordance with subdivision (b) of Section 56428.

Notice and hearing

(d) The executive officer shall give notice of the hearing in accordance with Section 56427.

(e) From the date of filing of the petition to the conclusion of the hearing, the commission shall accept written positions from any owner of land in the unincorporated territory that is seeking removal from a city's sphere of influence.

(f) The petition to remove territory from a city's sphere of influence shall be granted and given immediate effect if the commission finds that written positions filed in favor of the petition and not withdrawn prior to the conclusion of the hearing represent landowners owning 50 percent or more of the assessed value of the land within the affected territory.

(g) No removal of territory from a city's sphere of influence that is proposed by petition and adopted pursuant to this section shall be repealed or amended except by the petition and adoption procedure provided in subdivisions (a) to (f), inclusive. In all other respects, a removal of territory from a city's sphere of influence proposed by petition and adopted pursuant to this section shall have the same force and effect as any amendment to or removal of territory from a city's sphere of influence approved by the commission. No territory removed from a city's sphere of influence pursuant to this section shall be annexed to that city, unless the territory is subsequently added to the sphere of influence of the city pursuant to the petition and adoption procedure provided in this section.

Notwithstanding any other provision of this division, an election, if required, shall be conducted in accordance with Sections 57119 and 57132.5.

Special reorganization; incorporation of city with population of 1,000,000 or more

56732. If the commission approves a proposal for a special reorganization that includes the incorporation of a city with a population of more than 1,000,000, the commission shall do both of the following:

(a) Specify in the resolution making determinations that, notwithstanding Section 36501, the legislative body of the city shall consist of an even number of members, with at least 12 elected by districts, as defined in Section 34871. The commission shall establish the initial boundaries of a sufficient number of districts of approximately equal populations, consistent with state and federal law, not to exceed more than 100,000 residents per district.

(b) Specify in the resolution that the mayor, who shall be a voting member of the council, shall be elected on a citywide basis.

Special reorganization; public employees; collective bargaining agreements; retiree benefits

56734. (a) This section shall only apply to a special reorganization.

(b) All public employees to which Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 applies shall continue to be deemed public employees of the original local agency or of the newly incorporated local agency for all the purposes of that chapter, including, but not limited to, the continuation and application of any collective bargaining agreement that applies to these employees, and all representational and collective bargaining rights under that chapter.

(c) Any existing collective bargaining agreement shall remain in effect and be fully binding on the original local agency or on the newly incorporated local agency, and on the employee organizations that are parties to the agreement for the balance of the term of the agreement, and until a subsequent agreement has been established.

(d) Any existing retiree benefits, including, but not limited to, health, dental, and vision care benefits, shall not be diminished.

(e) Notwithstanding any other provision of law, an employee organization that has been recognized as the exclusive representative of local agency public employees affected by a special reorganization shall retain exclusive representation of the unit employees of the original local agency, or of the newly incorporated local agency.

Article 3. Annexation and Other Changes of Organization

Election may be required where assessed value of land or number of voters in annexing territory is equal or greater than half of city's assessed value or voters

56737. When a change of organization or a reorganization includes the annexation of inhabited territory to a city and the assessed value of land within the territory equals one-half or more of the assessed value of land within the city, or the number of registered voters residing within the territory equals one-half or more of the number of registered voters residing within the city, the commission may determine as a condition of the proposal that the change of organization or reorganization shall also be subject to confirmation by the voters in an election to be called, held, and conducted within the territory of the city to which annexation is proposed.

Annexation to a city; succession to Williamson Act contracts

56738. If the proposal would result in the annexation to a city of land that is subject to a contract executed pursuant to the Williamson Act (Chapter 7 (commencing with Section 51200) of Division 1), then the petition shall state whether the city shall succeed to the contract pursuant to Section 51243 or whether the city intends to exercise its option to not succeed to the contract pursuant to Section 51243.5.

Tidelands or submerged lands owned by the state; procedures

56740. (a) No tidelands or submerged lands, as defined in subdivision (g), which are owned by the state or by its grantees in trust shall be incorporated into, or annexed to, a city, except lands which may be approved by the State Lands Commission.

(b) If those tidelands or submerged lands are included within the boundaries of any territory proposed to be incorporated into, or annexed to, a city, a description of the boundaries, together with a map showing the boundaries, shall be filed with the State Lands Commission by the proponents of the incorporation or annexation. The filing with the State Lands Commission shall be made prior to the executive officer issuing a certificate of filing for the proposal.

Filed with State Lands Commission

(c) The State Lands Commission shall approve or disapprove all portions of the boundaries located upon the tidelands or submerged lands. In making that determination, it shall, where feasible and appropriate, require any extensions of land boundaries of the city or proposed city to be at right angles to

State Lands Commission determination

the general direction of the shoreline at each point of intersection of the shoreline with the land boundaries of the city or proposed city. However, in the interest of ensuring an orderly and equitable pattern of offshore boundaries, the State Lands Commission may establish angles and other courses for each offshore boundary it deems necessary considering any irregularity of the shoreline, other geographical features, the effect of incorporation or annexation of the offshore or submerged lands on the uplands of the city, or proposed city, and adjoining territory, and the existing and potential boundaries of other cities and of unincorporated communities.

(d) Within 45 days after the filing of the boundary description and map with the State Lands Commission, the State Lands Commission shall make a determination of the proper offshore or submerged lands boundaries. That determination shall be final and conclusive. If the State Lands Commission does not make the determination within that time, the proposed offshore or submerged lands boundaries shall be deemed approved.

(e) The State Lands Commission shall report its determination to the executive officer and to each affected city, affected county, affected district, or person, if any, that has filed the boundary description and map. Thereafter, filings and action may be taken pursuant to this part.

(f) The local agency formation commission may review and make determinations as to all portions of the boundaries, other than those offshore or submerged lands boundaries.

(g) "Submerged lands," as used in this section, includes, but is not limited to, lands underlying navigable waters which are in sovereign ownership of the state whether or not those waters are subject to tidal influences.

City annexations in same county and contiguous

56741. Territory may not be annexed to a city unless it is located in the same county. Unless otherwise provided in this division, territory may not be annexed to a city unless it is contiguous to the city at the time the proposal is initiated pursuant to this part. Territory incorporated as a city shall be located within one county and, except as otherwise provided in Section 56742, shall be contiguous with all other territory being incorporated as a city.

City annexations of noncontiguous territory

56742. (a) Notwithstanding Section 56741, upon approval of the commission a city may annex noncontiguous territory not exceeding 300 acres if the territory meets all of the following requirements:

(1) It is located in the same county as that in which the city is situated.

(2) It is owned by the city.

City ownership required

(3) It is used for municipal purposes at the time commission proceedings are initiated.

(b) Territory which is used by a city for the reclamation, disposal, and storage of treated wastewater may be annexed to the city pursuant to this section without limitation as to the size of the territory.

(c) If territory is annexed pursuant to this section, the annexing city may not annex any territory not owned by the city, not used for municipal purposes, and not contiguous to the city, although the territory is contiguous to the territory annexed pursuant to this section.

(d) Notwithstanding any other provision of this section, a city which annexes territory pursuant to this section may annex additional territory in the same county as that in which the city is situated which is owned by the United States government or the State of California and which is contiguous to the first annexed territory if the total acreage of the first annexed and the subsequently annexed territory together does not exceed 300 acres in area. If after the completion of the subsequent annexation, the city sells any or all of the first annexed territory, the subsequently annexed territory shall cease to be part of the city if the subsequently annexed territory is no longer contiguous to territory owned by the city.

(e) When any or all of the territory annexed to a city pursuant to this section is sold by the city, all of the territory that is no longer owned by the city shall cease to be a part of that city.

(f) A city may lease territory annexed pursuant to this section for any of the purposes authorized pursuant to Sections 37380 to 37396, inclusive, as well as enter into leases for the construction and operation of electrical generation, transmission, and distribution. If, however, a city enters into a lease on and after April 24, 2002, pursuant to Section 37395, 37396, or any other provision of law, that would authorize the development of a shopping center, hotel, motel, or lodging house on territory annexed pursuant to this section, the affected territory shall cease to be a part of the city.

(g) When territory ceases to be part of a city pursuant to this section, the legislative body of the city shall adopt a resolution confirming the detachment. (b) If territory is annexed pursuant to this section, the city may not annex any territory not owned by the State of California and not contiguous to the city although that territory is contiguous to the territory annexed pursuant to this section.

(c) When territory ceases to be part of the city pursuant to this section, the legislative body of the city shall adopt a resolution confirming the detachment of that territory from the city. If, after the completion of the annexation, the city sells that territory or any part thereof, all of that territory that is no longer owned by the city shall cease to be a part of the city.

(b) If territory is annexed pursuant to this section, the annexing city may not annex any territory not owned by it and not contiguous to it although that territory is contiguous to the territory annexed pursuant to this section.

(c) When territory ceases to be part of a city pursuant to this section, the legislative body of the city shall adopt a resolution confirming the detachment of that territory from the city. CHAPTER 4. FISCAL PROVISIONS

Article 1. Comprehensive Fiscal Analysis

Comprehensive fiscal analysis; contents

56800. For any proposal that includes an incorporation, the executive officer shall prepare, or cause to be prepared by contract, a comprehensive fiscal analysis. This analysis shall become part of the report required pursuant to Section 56665. Data used for the analysis shall be from the most recent fiscal year for which data are available, preceding the issuances of the certificate of filing. When data requested by the executive officer in the notice to affected agencies are unavailable, the analysis shall document the source and methodology of the data used. The analysis shall review and document each of the following:

(a) The costs to the proposed city of providing public services and facilities during the three fiscal years following incorporation in accordance with the following criteria:

(1) When determining costs, the executive officer shall include all direct and indirect costs associated with the current provision of existing services in the affected territory. These costs shall reflect the actual or estimated costs at which the existing level of service could be contracted by the proposed city following an incorporation, if the city elects to do so, and shall include any general fund expenditures used to support or subsidize a fee-supported service where the full costs of providing the service are not fully recovered through fees. The executive officer shall also identify which of these costs shall be transferred to the new city that result in an administrative cost reduction to other agencies. In the analysis, the executive officer shall also review how the costs of any existing services compare to the costs of services provided in cities with similar populations and similar geographic size that provide a similar

level and range of services and shall make a reasonable determination of the costs expected to be borne by the newly incorporated city.

(2) When determining costs, the executive officer shall also include all direct and indirect costs of any public services that are proposed to be assumed by the new city and that are provided by state agencies in the area proposed to be incorporated.

(b) The revenues of the proposed city during the three fiscal years following incorporation.

(c) The effects on the costs and revenues of any affected local agency during the three fiscal years of incorporation.

(d) Any other information and analysis needed to make the findings required by Section 56720.

Review of comprehensive fiscal analysis by Controller; requests

56801. (a) For any proposal that includes an incorporation, the executive officer shall, at the request of an interested party, which request is submitted pursuant to subdivision (b), and prior to issuing his or her report and recommendation pursuant to Section 56665, request the Controller to review the comprehensive fiscal analysis prepared pursuant to Section 56800. The request by an interested party shall specify in writing any element of the comprehensive fiscal analysis that the Controller is requested to review and the reasons the Controller is requested to review each element.

(b) The commission may adopt written procedures for the acceptance, referral, and payment for a request for the Controller's review, which shall include setting a time period during which an interested party is permitted to submit a request pursuant to subdivision (a). The time period for accepting a request shall not be less than 30 days following notice given in the same manner as specified in Section 56153.

(c) Within 45 days of receiving the analysis, the Controller shall issue a report to the executive officer regarding the accuracy and reliability of the information, methodologies, and documentation used in the analysis. The times within which the executive officer or commission is required to act pursuant to this chapter shall be tolled for the time required by the Controller for completion of the report. The executive officer shall include the results of the Controller's report into his or her own report and recommendation issued pursuant to Section 56665.

Cost of Controller's review

(d) Notwithstanding Sections 56378 and 56386, the Controller may charge the commission for the actual costs incurred pursuant to this section. The commission may recover these costs by charging the person who requested the Controller's review.

Funds for incorporation within Mountain House Community Services District

56802. (a) For any proposal for incorporation of the territory within the Mountain House Community Services District, San Joaquin County shall provide the required funds to those petitioners filing the incorporation application for all costs involved in filing the application for incorporation pursuant to this division, including the preparation of the comprehensive fiscal analysis pursuant to Section 56800.

(b) The funds provided by the county pursuant to this section shall not be construed to be a gift of public funds and may only be granted to a quasi-public or nonprofit organization formed for the purpose of pursuing incorporation of the Mountain House area.

(c) San Joaquin County shall provide the funds required in subdivision (a) only one time, upon the first filing of application for incorporation.

Acceptance or rejection of incorporation findings; executive officer report; fiscal analysis

If the commission rejects a finding or recommendation, the resolution making determinations shall include findings by the commission which present the basis for any rejection.

Article 2. Property Tax Exchange

Property tax exchange for incorporation or formation

56810. (a) (1) If the proposal includes the incorporation of a city, as defined in Section 56043, the commission shall determine the amount of property tax revenue to be exchanged by the affected local agency pursuant to this section and Section 56815.

Commission determination

(2) If the proposal includes the formation of a district, as defined in Section 2215 of the Revenue and Taxation Code, the commission shall determine the amount of property tax to be exchanged by the affected local agency pursuant to this section.

Notice to auditor

(b) The commission shall notify the county auditor of the proposal and the services which the new jurisdiction proposes to assume within the area, and identify for the auditor the existing service providers within the area subject to the proposal.

(c) If the proposal would not transfer all of an affected agency's service responsibilities to the proposed city or district, the commission and the county auditor shall do all of the following:

Auditor's determination

(1) The county auditor shall determine the proportion that the amount of property tax revenue derived by each affected local

agency pursuant to subdivision (b) of Section 93 of the Revenue and Taxation Code bears to the total amount of revenue from all sources, available for general purposes, received by each affected local agency in the prior fiscal year. For purposes of making this determination and the determination required by paragraph (3), "total amount of revenue from all sources available for general purposes" means the total amount of revenue which an affected local agency may use on a discretionary basis for any purpose and does not include any of the following:

(A) Revenue which, by statute, is required to be used for a specific purpose.

(B) Revenue from fees, charges, or assessments which are levied to specifically offset the cost of particular services and do not exceed the cost reasonably borne in providing these services.

(C) Revenue received from the federal government which is required to be used for a specific purpose.

Commission determination of total net cost; definition

(2) The commission shall determine, based on information submitted by each affected local agency, an amount equal to the total net cost to each affected local agency during the prior fiscal year of providing those services which the new jurisdiction will assume within the area subject to the proposal. For purposes of this paragraph, "total net cost" means the total direct and indirect costs that were funded by general purpose revenues of the affected local agency and excludes any portion of the total cost that was funded by any revenues of that agency that are specified in subparagraphs (A), (B), and (C) of paragraph (1).

Calculation

(3) The commission shall multiply the amount determined pursuant to paragraph (2) for each affected local agency by the corresponding proportion determined pursuant to paragraph (1) to derive the amount of property tax revenue used to provide services by each affected local agency during the prior fiscal year within the area subject to the proposal. The county auditor shall adjust the amount described in the previous sentence by the annual tax increment according to the procedures set forth in Chapter 6 (commencing with Section 95) of Part 0.5 of Division 1 of the Revenue and Taxation Code, to the fiscal year in which the new city or district receives its initial allocation of property taxes.

Separate county fund(s)

(4) For purposes of this subdivision, in any county in which, prior to the adoption of Article XIII A of the California Constitution, and continuing thereafter, a separate fund or funds were established consisting of revenues derived from the unincorporated area of the county and from which fund or funds services rendered in the unincorporated area have been paid, the amount of property tax revenues derived pursuant to

paragraph (3), may, at the discretion of the commission, be transferred to the proposed city over a period not to exceed 12 fiscal years following its incorporation. In determining whether the transfer of the amount of property tax revenues determined pursuant to paragraph (3) shall occur entirely within the fiscal year immediately following the incorporation of the proposed city or shall be phased in over a period not to exceed 12 full fiscal years following the incorporation, the commission shall consider each of the following:

(A) The total amount of revenue from all sources available to the proposed city.

(B) The fiscal impact of the proposed transfer on the transferring agency.

(C) Any other relevant facts which interested parties to the exchange may present to the commission in written form.

The decision of the commission shall be supported by written findings setting forth the basis for its decision.

Auditor's determination

(d) If the proposal would transfer all of an affected agency's service responsibilities to the proposed city or district, the commission shall request the auditor to determine the property tax revenue generated for the affected service providers by tax rate area, or portion thereof, and transmit that information to the commission.

(e) The executive officer shall notify the auditor of the amount determined pursuant to paragraph (3) of subdivision (c) or subdivision (d), as the case may be, and, where applicable, the period of time within which and the procedure by which the transfer of property tax revenues will be effected pursuant to paragraph (4) of subdivision (c), at the time the executive officer records a certificate of completion pursuant to Section 57203 for any proposal described in subdivision (a), and the auditor shall transfer that amount to the new jurisdiction.

(f) The amendments to this section enacted during the 1985-86 Regular Session of the Legislature shall apply to any proposal described in subdivision (a) for which a certificate of completion is recorded with the county recorder on or after January 1, 1987.

Prior fiscal year defined

(g) For purposes of this section, "prior fiscal year" means the most recent fiscal year for which data on actual direct and indirect costs and revenues needed to perform the calculations required by this section are available preceding the issuance of the certificate of filing.

Action to contest

(h) An action brought by a city or district to contest any determinations of the county auditor or the commission with regard to the amount of property tax revenue to be exchanged by the affected local agency pursuant to this section shall be commenced within three years of the effective date of the city's incorporation or the district's formation. These actions may be

brought by any city that incorporated or by any district that formed on or after January 1, 1986.

(i) This section applies to any city that incorporated or district that formed on or after January 1, 1986.

(j) The calculations and procedures specified in this section shall be made prior to and shall be incorporated into the calculations specified in Section 56815.

56811. (a) If a proposal includes the formation of a new special district, the commission shall determine the appropriations limit of the district in accordance with Section 7902.7 and Article XIII B of the California Constitution. The commission shall determine the provisional appropriations limit of the district in the following manner:

(1) Estimate the amount of revenue anticipated to be received by the district from the proceeds of taxes for the first full fiscal year of operation.

(2) Adjust the amount determined in paragraph (1) for the estimated change in the cost of living and population in the next full fiscal year of operation and any other changes that may be required or permitted by Article XIII B of the California Constitution.

(b) The governing body of the district shall determine the proposed permanent appropriations limit of the district to be submitted to the voters in the following manner:

(1) Determine the amount of revenue actually received by the district from the proceeds of taxes for the first full fiscal year of operation.

(2) Adjust the amount determined in paragraph (1) for the estimated change in the cost of living and population in the next full fiscal year of operation and any other changes that may be required or permitted by Article XIII B of the California Constitution.

(c) The permanent appropriations limit of the district shall be set at the first district election that is held following the first full fiscal year of operation and shall not be considered to be a change in the appropriations limit of the *** **district** pursuant to Section 4 of Article XIII B of the California Constitution.

(Amended by Stats. 2007, Ch. 244.)

The commission shall determine the provisional appropriations limit of the city in the following manner:

(1) Estimate the amount of revenue anticipated to be received by the city from the proceeds of taxes for the first full fiscal year of operation.

(2) Adjust the amount determined in paragraph (1) for the estimated change in the cost of living and population in the next full fiscal year of operation and such other changes as may be required or permitted by Article XIII B of the California Constitution.

(b) The governing body of the city shall determine the proposed permanent appropriations limit of the city to be submitted to the voters in the following manner:

(1) Determine the amount of revenue actually received by the city from the proceeds of taxes for the first full fiscal year of operation.

(2) Adjust the amount determined in paragraph (1) for the estimated change in the cost of living and population in the next full fiscal year of operation and such other changes as may be required or permitted by Article XIII B of the California Constitution.

Permanent appropriations limit

(c) The permanent appropriations limit of the city shall be set at the first municipal election which is held following the first full fiscal year of operation and shall not be considered to be a change in the appropriations limit of the city pursuant to Section 4 of Article XIII B of the California Constitution.

Article 3. Revenue Neutrality

Intent

56815. (a) It is the intent of the Legislature that any proposal that includes an incorporation should result in a similar exchange of both revenue and responsibility for service delivery among the county, the proposed city, and other subject agencies. It is the further intent of the Legislature that an incorporation should not occur primarily for financial reasons.

Findings for an incorporation

(b) The commission shall not approve a proposal that includes an incorporation unless it finds that the following two quantities are substantially equal:

(1) Revenues currently received by the local agency transferring the affected territory that, but for the operation of this section, would accrue to the local agency receiving the affected territory.

(2) Expenditures, including direct and indirect expenditures, currently made by the local agency transferring the affected territory for those services that will be assumed by the local agency receiving the affected territory.

Alternative findings

(c) Notwithstanding subdivision (b), the commission may approve a proposal that includes an incorporation if it finds either of the following:

(1) The county and all of the subject agencies agree to the proposed transfer.

(2) The negative fiscal effect has been adequately mitigated by tax sharing agreements, lump-sum payments, payments over a fixed period of time, or any other terms and conditions pursuant to Section 56886.

(d) Nothing in this section is intended to change the distribution of growth on the revenues within the affected territory unless otherwise provided in the agreement or agreements specified in paragraph (2) of subdivision (c).

(e) Any terms and conditions that mitigate the negative fiscal effect of a proposal that contains an incorporation shall be included in the commission resolution making determinations adopted pursuant to Section 56880 and the terms and conditions specified in the questions pursuant to Section 57134.

Resolution; fiscal terms and conditions

Task force; state guidelines

56815.2. By July 1, 2001, the Governor's Office of Planning and Research, in consultation with the Controller, shall convene a task force composed of representatives of cities, counties, special districts, and local agency formation commissions, as nominated by their statewide organizations and associations, with expertise in local government fiscal issues for the purpose of creating statewide guidelines for the incorporation process. The guidelines shall be completed by January 1, 2002, by the Office of Planning and Research and shall serve as minimum statewide guidelines for the incorporation process. The guidelines shall include, but not be limited to, information to assist incorporation proponents to understand the incorporation process, its timelines, and likely costs. They shall also provide direction to affected agencies regarding the type of information that should be included in the comprehensive fiscal analysis of an incorporation, as well as suggestions for alternative ways to achieve fiscally neutral incorporations. The guidelines shall be advisory to the commissions in the review of incorporation proposals.

CHAPTER 5. PROCEEDINGS FOR SPECIAL DISTRICTS

Article 1. Representation and Functions

Resolution initiating representation; regulations

56821. Either the commission or the legislative body of any independent special district within a county may adopt a resolution initiating proceedings as follows:

(a) It may propose representation of special districts upon the commission.

(b) It may propose the repeal of regulations affecting the functions and services of special districts.

Consideration of commission's resolution by independent special district selection committee; procedures following approval or disapproval

56821.1. If the commission adopts a resolution pursuant to subdivision (a) of Section 56821, the executive officer shall immediately call a meeting of the independent special district selection committee referred to in Section 56332. The meeting shall be held not less than 15, or more than 35, days from the adoption of the resolution by the commission. The independent special district selection committee shall meet at the time and place designated by the executive officer and shall consider the resolution adopted by the commission. By majority vote of those district representatives voting on the issue, the selection committee shall either approve or disapprove the resolution adopted by the commission. If the selection committee approves the resolution adopted by the commission, it shall immediately inform the executive officer of that action, and the commission at its next meeting shall adopt a resolution of intention pursuant to Section 56822. If the selection committee disapproves the resolution adopted by the commission, it shall immediately inform the executive officer of this action and all further proceedings under this chapter shall cease.

Resolution adopted by independent special districts

56821.3. If an independent special district adopts a resolution pursuant to subdivision (a) of Section 56821, it shall immediately forward a copy of the resolution to the executive officer. Upon receipt of those resolutions from a majority of independent special districts within a county, adopted by the districts within one year from the date that the first resolution was adopted, the commission, at its next regular meeting, shall adopt a resolution of intention pursuant to Section 56822.

Certified copy of resolution and text of regulations to be filed

56821.5. A certified copy of any resolution which has been adopted by an independent special district pursuant to subdivision (b) of Section 56821 shall be filed with the executive officer. If a resolution, or substantially identical resolution, has been filed by a majority of independent special districts within the county, then, not later than 35 days after the filing, the commission shall adopt a resolution of intention in accordance with the filed resolution or resolutions.

Resolution of intention; contents

56822. Whenever the commission, or the independent special districts, as the case may be, have complied with the applicable provisions of Sections 56821, 56821.1, 56821.3, and 56821.5, the commission shall adopt a resolution of intention pursuant to this section. The resolution of intention shall do all of the following:

(a) State whether the proceedings are initiated by the commission or by an independent special district or districts, in which case, the names of those districts shall be set forth.

(b) If the resolution of intention proposes only the repeal of regulations affecting the functions and services of special districts, it shall state that the commission proposes either of the following:

(1) To consider the proposal without reference to a special district advisory committee, in which case the resolution shall contain the text of the regulations proposed to be repealed.

(2) To refer the proposal to a special district advisory committee for study, report, and recommendation, in which case the resolution shall include the regulations proposed to be repealed.

In addition, the resolution of intention adopted pursuant to this subdivision shall also fix a time, not less than 15 or more than 35 days after the adoption of the resolution of intention, and the place of hearing by the commission on the question of whether the proposal made by the resolution should be disapproved, approved, and ordered without reference to a special district advisory committee, or referred to a special district advisory committee for study, report, and recommendation to the commission.

(c) If the resolution of intention proposes representation of special districts on the commission, it shall state that the commission proposes to refer the proposal to a special district advisory committee and the commission shall immediately order the proposal referred to that committee pursuant to Section 56823.

Hearing on resolution of intention; notice

56822.3. If a hearing is called pursuant to subdivision (b) of Section 56822, the executive officer shall give notice of the hearing by publication, as provided in Sections 56153 and 56154, by posting, as provided in Sections 56158 and 56159, and by mailing to the clerk of the county and each local agency within the county, as provided in Sections 56155, 56156, and 56157.

Hearing on resolution of intention; time and place; approval or disapproval

56822.5. The hearing referred to in Section 56822.3 shall be held by the commission at the time and place specified or to which the hearing may be continued. After the conclusion of the hearing, the commission shall adopt a resolution disapproving the proposal made by the resolution of intention, approving and ordering the proposal without reference to a special district advisory committee, or ordering the proposal referred to a special district advisory committee for study, report, and recommendation.

**Advisory committee;
appointment; proceedings;
definition**

56823. If the commission orders a proposal referred to a special district advisory committee for study, report, and recommendation, the appointment of, and proceedings by, the advisory committee shall be made and taken substantially in accordance with the provisions of Chapter 6 (commencing with Section 56826), pertaining to reorganization committees, except that the advisory committee shall not be terminated until after the commission acts upon the report and recommendation of the advisory committee. When applied to proceedings taken pursuant to this chapter:

(a) "Plan of reorganization" means a plan containing the text of regulations affecting the functions and services of special districts.

(b) "Proposal of reorganization," "reorganization," or "change of organization" means a proposal made pursuant to this chapter.

(c) "Reorganization committee" means the special district advisory committee.

(d) "Subject district" means an independent special district affected by a proposal made pursuant to this chapter.

If the commission is of the opinion that special districts, other than independent special districts, may be affected by the proposal, then, in addition to the appointment of voting members to the advisory committee to represent independent special districts, the commission may authorize the legislative bodies of special districts, other than independent special districts, to appoint nonvoting members to the advisory committee. Any nonvoting member shall have all of the rights of a voting member except the right to vote.

**Advisory committee;
executive committee;
membership; duties and
powers**

56824. Where a special district advisory committee consists of voting members representing more than five independent special districts, the advisory committee may appoint an executive committee to undertake all or part of the study and may authorize the executive committee to prepare a tentative report and recommendation for submission to and approval by the full advisory committee. The executive committee shall consist of the number of voting members as the advisory committee may determine. If the commission authorizes the appointment of nonvoting members to the advisory committee, those nonvoting members may appoint members to the executive committee in numbers not exceeding those appointed by the voting members and any nonvoting member appointed to the executive committee shall have all of the rights of a voting member on the committee, except the right to vote.

Upon completion of the studies of the executive committee, the executive committee shall report to the full advisory committee and submit any tentative report and

recommendation prepared by the executive committee. Thereafter, the advisory committee may reject any tentative report and recommendation submitted, may adopt any tentative report and recommendation submitted, either as submitted by the executive committee or as changed by the full advisory committee, or the advisory committee may prepare its own report and recommendation.

Action of commission on report and recommendation of advisory committee

56824.1. Not later than 35 days after the filing with the executive officer of the report and recommendation of a special district advisory committee, the commission shall take one of the following actions:

(a) If the report concerns only the repeal of regulations affecting the functions and services of special districts, the commission may do either of the following:

- (1) Disapprove the report without further notice and hearing.
- (2) Adopt a resolution of intention to hold a hearing on the report pursuant to subdivision (c).

(b) If the report concerns a request for special district representation on the commission, the commission shall adopt a resolution declaring its intention to approve the report and recommendation.

(c) A resolution of intention shall do all of the following:

(1) Refer to the report and recommendation of the special district advisory committee, generally describe the nature and contents of the report and recommendation, and refer to the report and recommendation on file with the executive officer for a detailed description report and recommendation.

(2) Declare the intention of the commission to approve the recommendation and report, as filed.

(3) Fix a time, not less than 15 days, or more than 35 days, after the adoption of the resolution of intention, and the place of hearing by the commission, on the question of whether the report and recommendation filed by the special district advisory committee should be approved, either as filed or as ordered changed by the commission after notice and hearing.

Hearing on approval of report and recommendation of advisory committee; notice

56824.3. The executive officer shall give notice of the hearing by publication, as provided in Sections 56153 and 56154, by posting, as provided in Sections 56158 and 56159, and by mailing to the clerk of the county and each local agency within the county, as provided in Sections 56155, 56156, and 56157.

Hearing on approval or report and recommendation of advisory committee; time and place; proposal for changes

56824.5. The hearing shall be held by the commission at the time and place specified or to which the hearing may be continued. During the course of the hearing, the commission may propose changes in the report and recommendations. Any proposed changes shall be referred, for review, to the special

district advisory committee, or if the advisory committee has appointed an executive committee, to that executive committee. The advisory committee, or the executive committee, shall have 60 days to report back to the commission. If no report is received by the commission within 60 days, the advisory committee shall be deemed to have approved the proposed changes in the report and recommendation.

Within 30 days after the conclusion of the hearing, the commission shall adopt a resolution approving the report and recommendation, either as filed or as those regulations may be changed by the commission.

Resolution approving report and recommendation of advisory committee; orders

56824.7. Any resolution approving the report and recommendation of a special district advisory committee, either as filed or as changed by the commission, shall order both of the following:

(a) The repeal of regulations, in accordance with the recommendations of the approved report.

(b) The chairperson of the commission to call and give notice of a meeting of the independent special district selection committee to be held within 15 days after the adoption of the resolution if special district representatives on the commission are to be selected pursuant to Section 56332.

(c) In the case of a reorganization committee created pursuant to subdivision (b) of Section 56827, the commission shall appoint one or more members to represent the general public on the reorganization committee. The number of members appointed to represent the general public shall not exceed the maximum number specified by the commission to represent the county or each subject district. A member appointed pursuant to this subdivision shall not be an officer or employee of any local agency. 56842. A quorum shall be deemed to be present at a meeting of a reorganization committee if members representing one-half or more of the subject districts are present. Each subject district shall be entitled to one vote at any reorganization committee meeting, which vote shall be determined by a majority of the members of the district present at the meeting.

Reorganization committee; disagreement or failure to report; discharge or appointment of public members

56843. If a reorganization committee does not complete and submit its report and recommendation before the date specified by the commission or, prior to that date, if members of the committee representing one-half or more of the subject districts report to the commission that the committee is unable to agree upon the report and recommendation, the commission may either order the discharge of the committee, or appoint additional members to the committee, not to exceed the maximum number authorized for a single subject district, to represent the public and order the committee, as so enlarged, to continue its study.

Commission's study, report, and recommendation in place of that of discharged reorganization committee

56844. If the commission orders the discharge of a reorganization committee, the commission may make a study, report, and recommendation upon a plan of reorganization in the place of the reorganization committee.

Reorganization committee; rights of additional public members

56845. If the commission appoints additional members to the reorganization committee to represent the public and orders the reorganization committee, as so enlarged, to continue its study, the additional members shall have all of the rights and powers of members representing a single subject district, including participation in all studies, reports, and recommendations, attendance at all meetings, and the casting of a single vote on behalf of all of the additional members on any matter before the committee.

56846. Every officer of any affected county, affected city, or affected district shall make available to a reorganization committee any records, reports, maps, data, or other documents which in any way affect or pertain to the committee's study, report, and recommendation and shall confer with the committee concerning the problems and affairs of that county, city, or district.

The reorganization committee shall file the original of its report and recommendation with the executive officer and a copy of the report and recommendation with the clerk of each subject district. Upon filing that report and recommendation with the executive officer, the reorganization committee shall be terminated. However, the commission may cause the committee to be reconvened at any time for the sole purpose of correcting or clarifying any error, omission, or uncertainty appearing in the report and recommendation, as determined by the commission.

Consolidation or reorganization without election; similar resolutions

56853. (a) If a majority of the members of each of the legislative bodies of two or more local agencies adopt substantially similar resolutions of application making proposals either for the consolidation of districts or for the reorganization of all or any part of the districts into a single local agency, the commission shall approve, or conditionally approve, the proposal. The commission shall order the consolidation or reorganization without an election, except as otherwise provided in subdivision (b) of Section 57081.

(b) Except as provided in subdivision (d), a commission may order any material change in the provisions or the terms and conditions of the consolidation or reorganization, as set forth in the proposals of the local agencies. The commission shall direct the executive officer to give each subject agency mailed notice of any change prior to ordering a change. The commission shall not, without the written consent of all subject agencies, take any further action on the consolidation or reorganization for 30 days following that mailing. Upon written demand by any subject agency, filed with the executive officer during that 30-day period, the commission shall make determinations upon the proposals only after notice and hearing on the proposals. If no written demand is filed, the commission may make those determinations without notice and hearing. The application of any provision of this subdivision may be waived by consent of all of the subject agencies.

(c) Where the commission has initiated a change of organization or reorganization affecting more than one special district, the commission may utilize and is encouraged to utilize a reorganization committee to review the proposal.

(d) The commission shall not order a material change in the provisions of a consolidation or reorganization, as set forth in the proposals of the local agencies pursuant to subdivision (a), that would add or delete districts without the written consent of the applicant local agencies.

Authorization of reorganization of districts without election

56854. (a) Notwithstanding Sections 57077 and 57107, the commission shall order (1) the consolidation of districts, (2) dissolution, (3) merger, or (4) the establishment of a subsidiary district, or (5) a reorganization that includes any of these changes of organization without an election, except that an election shall be held in each affected city or district if there are written protests as follows:

Exceptions

(1) Where the proposal was not initiated by the commission, and where an affected city or district has not objected by resolution to the proposal, a written protest has been submitted that meets the requirements specified in subdivisions (b) and (c) of Section 57081.

(2) Where the proposal was not initiated by the commission, and where an affected city or district has objected by resolution to the proposal, a written protest has been submitted that meets the requirements specified in paragraphs (1) and (2) of subdivision (a) and subdivision (b) of Section 57114.

Written protests

(3) Where the proposal was initiated by the commission, and regardless of whether an affected city or district has objected to the proposal by resolution, a written protest has been submitted that meets the requirements of Section 57113.

City consent; merger or subsidiary district

(b) Notwithstanding subdivision (a), the commission shall not order a merger or establishment of a subsidiary district without the consent of the affected city.

Goleta provisions

(c) This section shall not apply to any proposal for a change of organization or reorganization that is submitted to the commission before January 1, 2003, where the Goleta Sanitary District or the Goleta West Sanitary District is an affected district. The Legislature finds and declares that a special law is necessary and that a general law cannot be made applicable within the meaning of Section 16 of Article IV of the California Constitution because of the following special circumstances:

The voters of the Goleta Sanitary District previously voted against a proposed consolidation with the Goleta West Sanitary District by a margin of two to one. More recently, a reorganization proposal was submitted to the commission in Santa Barbara County that would have combined the Goleta Sanitary District and the Goleta West Sanitary District under circumstances where no opportunity for confirmation by the Goleta Sanitary District voters would be available. In light of the issues that were raised in connection with these earlier consolidation and reorganization proposals, a five-year moratorium on the application of Section 56854 to proposals affecting the Goleta Sanitary District or the Goleta West Sanitary District is necessary to ensure an opportunity for voter confirmation.

Annexation to fire protection district; contracts with city

56855. (a) This section shall apply to any proposal which contains the annexation of territory to a fire protection district which is organized pursuant to the Fire Protection District Law of 1987, Part 3 (commencing with Section 13800) of Division 12 of the Health and Safety Code, and the affected territory is or is proposed to be all or part of a city which is within the fire protection district.

(b) Prior to the adoption by the local agency formation commission of a resolution making determinations, the district may request and the commission shall impose, as a term and condition, a requirement that the legislative body of the city shall enter into a contract with the district. The contract shall require:

(1) That the affected territory shall remain part of the district for a period of at least 10 years.

(2) That the city shall pay the cost of services provided by the district. This payment shall be in amounts and on terms specified in the contract.

(3) Any other conditions to which the city and the district mutually agree.

**Farmland security zones;
restrictions for district
annexation**

56856. (a) The commission shall not approve or conditionally approve a change of organization or reorganization that would result in the annexation to a special district of territory that is within a farmland security zone created pursuant to Article 7 (commencing with Section 51296) of Chapter 7 of Division 1 if that special district provides or would provide facilities or services related to sewers, nonagricultural water, or streets and roads, unless the facilities or services benefit land uses that are allowed under the farmland security zone contract and the landowner consents to the change of organization or reorganization.

Exclusion

(b) This section shall not apply during the three-year period preceding the termination of a farmland security zone contract under Article 7 (commencing with Section 51296) of Chapter 7 of Division 1.

**Change of organization or
reorganization; land subject
to Williamson Act**

56856.5. (a) The commission shall not approve or conditionally approve a change of organization or reorganization that would result in the annexation to a city or special district of territory that is subject to a contract entered into pursuant to the California Land Conservation Act of 1965 (Chapter 7 (commencing with Section 51200) of Part 1 of Division 1), other than a contract entered into pursuant to Article 7 (commencing with Section 51296) of Chapter 7 of Part 1 of Division 1, if that city or special district provides or would provide facilities or services related to sewers, nonagricultural water, or streets and roads to the territory, unless these facilities or services benefit land uses that are allowed under the contract.

(b) This section shall not be construed to preclude the annexation of territory for the purpose of using other facilities or services provided by the agency that benefit land uses allowable under the contract.

(c) Notwithstanding subdivision (a), the commission may nevertheless approve a change of organization or reorganization if it finds any of the following:

(1) The city or county that would administer the contract after annexation has adopted policies and feasible implementation measures applicable to the subject territory ensuring the continuation of agricultural use and other uses allowable under the contract on a long-term basis.

(2) The change of organization or reorganization encourages and provides planned, well-ordered, and efficient urban development patterns that include appropriate consideration of the preservation of open-space lands within those urban development patterns.

(3) The change of organization or reorganization is necessary to provide services to planned, well-ordered, and efficient

urban development patterns that include appropriate consideration of the preservation of open-space lands within those urban development patterns.

(d) This section shall not apply to territory subject to a contract for which either of the following applies:

(1) A notice of nonrenewal has been served pursuant to Section 51245, if the annexing agency agrees that no services will actually be provided by it for use during the remaining life of the contract for land uses or activities not allowed under the contract.

(2) A tentative cancellation has been approved pursuant to Section 51282.

District annexation

56857. (a) Upon receipt by the commission of a proposed change of organization or reorganization that includes the annexation of territory to any district, if the proposal is not filed by the district to which annexation of territory is proposed, the executive officer shall place the proposal on the agenda for the next commission meeting for information purposes only and shall transmit a copy of the proposal to any district to which an annexation of territory is requested.

Pre-hearing

Termination

(b) No later than 60 days after the date that the proposal is on the commission's meeting agenda in accordance with subdivision (a), any district to which annexation of territory is proposed may adopt and transmit to the commission a resolution requesting termination of the proceedings. The resolution requesting termination of the proceedings shall be based upon written findings supported by substantial evidence in the record that the request is justified by a financial or service related concern. Prior to the commission's termination of proceedings pursuant to subdivision (c), the resolution is subject to judicial review.

(c) If any district to which annexation of territory is proposed has adopted and transmitted to the commission a resolution requesting termination of proceedings within the time period prescribed by, and in accordance with, subdivision (b), and if the commission has not been served with notice that judicial review of that resolution is being sought pursuant to subdivision (b), then the commission shall terminate the proceedings no sooner than 30 days from receipt of the resolution from the district.

(d) For purposes of an annexation to a district pursuant to this section or Section 56668.3:

Financial concerns

(1) "Financial concerns" means that the proposed uses within the territory proposed to be annexed do not have the capacity to provide sufficient taxes, fees, and charges, including connection fees, if any, to pay for the full cost of providing services, including capital costs. Cost allocation shall be based

on generally accepted accounting principles and shall be subject to all constitutional and statutory limitations on the amount of the tax, fee, or charge.

Service concerns

(2) "Service concerns" means that a district will not have the ability to provide the services that are the subject of the application to the territory proposed to be annexed without imposing level of service reductions on existing and planned future uses in the district's current service area. "Service concerns" does not include a situation when a district has the ability to provide the services or the services will be available prior to the time that services will be required.

(3) A district may make findings regarding financial or service concerns based on information provided in the application and any additional information provided to the district by the commission or the applicant that is relevant to determining the adequacy of existing and planned future services to meet the probable future needs of the territory. Findings related to service or financial concerns may be based on an urban water management plan, capital improvement plan, financial statement, comprehensive annual financial report, integrated resource management plan, or other information related to the ability of a district to provide services.

(4) Nothing in this section shall be construed to create a right or entitlement to water service or any specific level of water service.

(5) Nothing in this section is intended to change existing law concerning a district's obligation to provide water service to its existing customers or to any potential future customers.

(e) This section shall not apply if all districts to which annexation of territory is proposed have adopted and transmitted to the commission a resolution supporting the proposed change of organization or reorganization.

During this period, the district which has filed a resolution of intention shall prepare and submit a completed application for the alternative proposal in a form similar to the original proposal, as prescribed by the commission.

(b) A district which has filed a resolution of intention to file an alternative proposal but which does not file a completed application within the prescribed time period, shall be deemed to have consented to the original proposal to form a subsidiary district.

(c) After receiving an alternative proposal, the executive officer shall analyze and report on both the original proposal and the alternative proposal concurrently and set both for hearing by the commission in order that both proposals may be considered simultaneously at a single hearing.

However, none of the following terms and conditions shall directly regulate land use, property development, or subdivision requirements:

Computation of votes determined from election by landowner-voters and registered voters; merger, subsidiary district, or reorganization

57143. In any special election or elections called upon the question of confirmation of an order for merger or the establishment of a subsidiary district or for a reorganization, where the results of the election or elections are to be determined from votes of both landowner-voters and registered voters, the votes of the landowner-voters shall be computed and equated with the votes of the registered voters in the following manner:

(a) First, the per capita assessed value of land for each registered voter within the county within which the elections are held shall be determined to the nearest even dollar by dividing the total assessed value of land within the county, as shown on the last equalized assessment roll of the county, by the total number of voters who were registered in the county at the close of registration, as provided in the Elections Code, next preceding the date of the election. If any landowner-voter district is located in more than one county, the per capita assessed value for each county shall be multiplied by a percentage, to the nearest one-tenth of 1 percent, those percentages being determined by dividing the total area of the district into the area of those portions of the district located within that county; the resulting products of those multiplications shall then be added and the total, to the nearest even dollar, shall be deemed to be the per capita assessed value for all the counties.

(b) Second, if any such landowner-voter district does not use the county assessment roll for the purposes of levying and collecting district assessments or taxes, the per capita assessed value of land for each registered voter within the county shall be corrected by multiplying the per capita assessed value by a correction factor determined as follows: The total assessed valuation of all lands within the district, as shown upon the last equalized assessment roll or book of the district, shall be divided by the corresponding total assessed valuation of all lands within the district, as shown upon the last equalized assessment roll of the county, and the quotient, expressed to the nearest of two decimal places, shall represent the correction factor. If any landowner-voter district is located in more than one county, a correction factor shall be determined, in the manner above provided, for each such county covering all those portions of the district which are located within the county; the correction factor for each county shall then be multiplied by a percentage, to the nearest one-tenth of 1 percent, that percentage being determined by dividing the total area of the district into the area of those portions of the district located within that county; the resulting products of those multiplications shall then be added and the total, to the nearest

of two decimal places, shall be deemed to be the correction factor for all the counties.

(c) Third, the corrected per capita assessed value, determined to the nearest even dollar, shall then be adjusted by dividing it by the number of dollars required for a single vote by a landowner-voter, as specified in the principal act determining the landowner-voter's right to vote.

(d) Fourth, the total number of votes cast by landowner-voters for and against the question shall be divided by the corrected and adjusted per capita assessed value and the quotients, to the nearest whole figures, shall be deemed to be the number of votes of landowner-voters which shall be equated with the votes of the registered-voters of any city or registered voter district, cast for and against the question.

In the case of a separate election for city officers held following the election for incorporation pursuant to Section 56825.5, by the newly incorporated city.

Reorganization

(e) In the case of a reorganization:

(1) If the reorganization is ordered, by the affected local agencies or successor local agencies, as the case may be, for any of the above-enumerated changes of organization which may be included in the particular reorganization, to be paid by those local agencies in proportion to their assessed value.

(2) If the reorganization proceedings are terminated or the proposal is defeated, by the county within which the city is located.

CHAPTER 7. RESOLUTION CONFIRMING ELECTION RESULTS

Certificate of completion confirming change

57176. The commission shall execute, within 30 days of the canvass of the election, a certificate of completion confirming the order of the change of organization or reorganization if a majority of votes cast upon the question are in favor of the change of organization or reorganization in any of the following circumstances:

(a) At an election called in the territory ordered to be organized or reorganized.

(b) At an election called within the territory ordered to be organized or reorganized and within the territory of the affected agency.

(c) At both an election called within the area to be organized or reorganized and an election called within the territory of an affected city, when required by the commission pursuant to Section 56759.

Special reorganization

57176.1. Notwithstanding Section 57176, the commission shall execute, within 30 days of the canvass of the election, a certificate of completion confirming a special reorganization if a majority of votes cast upon the question are in favor of the special reorganization in both of the following circumstances:

(a) An election called in the territory ordered to be detached from the city.

(b) An election called in the entire territory of the city from which the detachment is ordered to occur.

Merger or establishment of subsidiary district

57177. The commission shall execute a certificate of completion confirming either the order of a merger or the order for the establishment of a subsidiary district in the following manner:

(a) Where the question submitted to the voters was only upon merger or only upon establishment of a subsidiary district, the commission shall execute a certificate of completion confirming the order if a majority of the votes cast on the question favored the order either:

(1) At an election called only within the district.

(2) At each election, where one election was called within the district and another election was called within the territory of the city outside the boundaries of the district.

(b) Where both the question of merger and the question of establishment of a subsidiary district were submitted to the voters within the district only and both questions were favored by a majority of the voters, the commission shall order that change of organization favored by the greater number of

voters. Where the number of votes was the same on both questions, the merger shall be ordered.

(c) Where both the question of merger and the question of establishment of a subsidiary district were submitted at an election called both within the district and at an election within the territory of the city outside the district boundaries, and both questions were favored by a majority of the voters in both areas, that change of organization receiving the greater number of votes in both elections shall be completed. Where the number of votes was the same, or where the question of merger received the greater number of votes in one of the elections, a merger shall be completed.

Consolidation of cities or districts

57177.5. In the case of elections on an order of consolidation of cities or districts, the commission shall take one of the following actions:

(a) Execute a certificate of completion confirming the order of consolidation if, within the territory of each city or district ordered to be consolidated, a majority of the votes cast on the question favored the consolidation.

(b) Execute a certificate of completion terminating proceedings if, in one of the cities or districts ordered to be consolidated, the votes cast in favor of consolidation did not constitute a majority.

Incorporation or consolidation of cities; additional requirements

57178. In addition to any other requirements, the certificate of completion confirming an order of incorporation or consolidation of cities shall do all of the following:

(a) Give the name of the new or successor city favored by the electors.

(b) Declare the persons receiving the highest number of votes for the several offices of the new or successor city to be elected to those offices. If the incorporation applicant requested that the first election for city officers was to occur after the election on the proposal which included incorporation, the resolution shall call an election at which city officers shall be elected.

(c) In the case of an incorporation, declare which system of electing council members was favored, that is, election by district or election at large; and declare whether the city manager form of government was favored by the electors.

Certificate of termination of proceedings

57179. If the majority of the votes cast is against the change of organization or reorganization, the commission shall execute a certificate of termination proceedings.

57202. (a) If an effective date is fixed in the terms and conditions of the commission resolution, that date shall be the effective date.

(2) Later than nine months after the date of the election in which a majority voted in favor of the change of organization or reorganization.

(b) The change of organization or reorganization shall be complete from the date of execution of the certificate of completion and effective from the dates specified in the terms and conditions of the commission resolution, unless no effective date has been fixed in those terms and conditions.

(d) The commission shall set an effective date for any incorporation. The authority of the commission to set the date of incorporation shall be exclusive, except as provided in Section 57203.

Santa Cruz County exception

57202.1. In the case of a reorganization requested by a city in Santa Cruz County that has adopted a voter approved urban limit line, the conditions of paragraph (2) of subdivision (a) of Section 57202 shall not apply and the effective date of that reorganization shall be fixed in the terms and conditions of the commission resolution. The commission may not use the provisions of this section for any reorganization approved or conditionally approved after January 1, 2009.

Certificate of completion recorded with each county

57203. The executive officer shall record, no later than 90 days after the election, a certified copy of the certificate of completion with the county recorder of each county in which all or any part of the territory included in the change of organization or reorganization is located, and shall file a certified copy of the certificate of completion, indicating the recording numbers affixed by the county recorder, with the clerk of the legislative body of each local agency subject to the change of organization or reorganization. If the executive officer is for any reason unable to comply with this section, the Secretary of State, upon confirmation by the county recorder that the certificate of completion has not been recorded within the time period provided in this section, may perform the duties of the executive officer upon receiving notice of the failure of the executive officer to so perform.

PART 5. TERMS AND CONDITIONS AND EFFECT OF A CHANGE OF ORGANIZATION OR REORGANIZATION

CHAPTER 1. GENERAL

No effect on Assembly or Senatorial districts

57300. Any proceeding completed pursuant to this division shall not alter or affect the boundaries of any Assembly or Senatorial district.

Effect on city council districts; adjustment of boundaries

57301. If at any time between each decennial federal census, a city annexes or detaches territory or consolidates with another city, the city council of the city annexing or detaching the territory or the city council of the successor city, shall reexamine the boundaries of its council districts, if any, after the first census is taken or after the population estimates are obtained, following the annexation, detachment, or consolidation.

If, upon reexamination, the city council finds that the population of any council districts have varied so that the districts no longer meet the criteria specified in Section 21601 of the Elections Code, the city council shall, within 60 days after the census is taken, or population estimate received, by ordinance or resolution, adjust the boundaries of any or all of the council districts of the city so that the districts are as nearly equal in population as may be possible.

Application of general conditions; specific conditions control over general conditions

57302. The general provisions of this part shall apply only if the commission does not impose terms and conditions on any change of organization or reorganization pursuant to Section 56886. If a change of organization or a reorganization specifically provides for, and is made subject to any of, the terms and conditions authorized by Section 56886, the specific terms and conditions shall be deemed to be the exclusive terms and conditions of the change of organization or reorganization

and shall control over the general provisions of this part. Any of those terms and conditions may be provided for, and be made applicable to, any affected county, affected city, or affected district, to all or any part of the territory of the county, city, or district, to any territory proposed to be annexed to the county, city, or district and to the owner or owners of property within that territory. The general provisions of this part shall not be construed as limiting in any manner the authority of the commission to impose one or more of the terms and conditions set forth in Section 56886.

Effect on bonded indebtedness by change or organization

57303. If no determination is made pursuant to subdivision (d) of Section 56886, the principal amount of bonded indebtedness which may be incurred or assumed by any city, county, or district, under any statute or charter provision imposing a limitation on bonded indebtedness, shall not be affected by any change of organization or reorganization.

CHAPTER 2. EFFECT OF ANNEXATION

Rights and duties of inhabitants of annexed area

57325. On and after the effective date of an annexation, the territory annexed to a city or district, all inhabitants of that territory, and all persons entitled to vote by reason of residing or owning land within that territory shall be subject to the jurisdiction of the city or district and, except as otherwise provided in this chapter, shall have the same rights and duties as if the territory had been a part of the city or district upon its original incorporation or formation.

Agreement to continue services to end of fiscal year by city and district

57326. As an alternative to any procedure prescribed by law for the division of taxes or assessments collected in a district lying partially or wholly in territory annexed by an incorporated city, the city and the district may enter into an agreement providing that the district shall continue to perform services for the annexed territory until the close of the fiscal year for which the district has levied taxes or assessments.

Restriction on payment for use of property

57327. No payment for the use, or right of use, of the existing property, real or personal, of any district or city shall be required by reason of the annexation of territory to that district or city.

Liability of annexed area for bonds, contracts, and obligations of annexing city or district

57328. Any territory annexed to a city or district shall be liable for payment of principal, interest, and any other amounts which shall become due on account of any outstanding or then authorized but thereafter issued bonds, including revenue bonds, or other contracts or obligations of the city or district, but not of any improvement district within the district. It shall

be subject to the levying or fixing and collection of any of the following which may be necessary to provide for that payment:

- (a) Taxes or assessments.
- (b) Service charges, rentals, or rates.
- (c) Both taxes or assessments and service charges, rentals, or rates.

Roads and highways

57329. (a) If unincorporated territory was, or is hereafter, annexed to a city, all roads and highways or portions of a road or highway in the territory which had been accepted into the county road system pursuant to Section 941 of the Streets and Highways Code are, or shall become, as the case may be, city streets on the effective date of the annexation.

County roads excepted

(b) Subdivision (a) does not apply to a road or highway which had been accepted into the county road system pursuant to Section 941 of the Streets and Highways Code after the date of the first signature on a petition for annexation or incorporation, the adoption of a resolution of application by an affected local agency, or a date mutually agreed upon by the city and the county.

(c) Nothing in subdivision (a) requires a city to improve the affected road or highway to city standards.

Previously authorized taxes, assessments, fees, or charges

57330. Any territory annexed to a city or district shall be subject to the levying or fixing and collection of any previously authorized taxes, benefit assessments, fees, or charges of the city or district.

Annexation to a city; succession to Williamson Act contracts

57330.5. (a) If a city annexes land that is subject to a contract executed pursuant to the Williamson Act (Chapter 7 (commencing with Section 51200) of Division 1), and the city succeeds to the contract pursuant to either Section 51243 or Section 51243.5, then on and after the effective date of the annexation, the city has all of the rights, duties, and powers imposed by that contract.

(b) If a city annexes land that is subject to a contract executed pursuant to the Williamson Act (Chapter 7 (commencing with Section 51200) of Division 1), and the city exercises its option to not succeed to the contract pursuant to Section 51243.5, then the city shall record a certificate of contract termination pursuant to that section.

CHAPTER 3. EFFECT OF DETACHMENT

Loss of jurisdiction of agency; rights and duties of inhabitants

57350. Except as otherwise provided in this chapter, on and after the effective date of a detachment, the territory detached from a city or district, all inhabitants within the territory, and all persons formerly entitled to vote by reason of residing within

the territory shall cease to be subject to the jurisdiction of the city or district and shall have none of the rights or duties of the remaining territory, inhabitants, or voters of the city or district.

Continued liability for debts contracted prior to detachment from city

57351. Unless otherwise provided in the terms and conditions of the detachment, the city from which territory is detached may from time to time levy and collect from the detached territory its just proportion of liability for payment of the interest and principal of debts of the city contracted prior to detachment.

Rights to tender amount of city liability

57352. At any time, the detached territory may tender to the city council of the city or the legislative body of the district the amount for which the detached territory is liable. If tender is made, the authority of the city or district to levy taxes on the detached territory shall cease.

Restriction on rights and entitlements to city or district property or refund of moneys

57353. No inhabitant, property owner, taxpayer, consumer, or user within territory detached from a district or city shall be entitled to either of the following:

(a) All or any part or to any payment on account of the moneys or funds, including cash on hand and moneys due but uncollected, or any property, real or personal, of the city or district.

(b) Any refund by reason of any taxes, assessments, service charges, rentals, or rates collected prior to the effective date of the detachment.

Continued liability for payment of bonds, contracts, and obligations of agency

57354. Any territory detached from a city or district shall continue to be liable for the payment of principal, interest, and any other amounts which become due on account of any bonds, including revenue bonds, or other contracts or obligations of the district and any improvement district within which the detached territory has been situated, as are outstanding on the effective date of detachment. It shall be subject to the levying or fixing and collection of any of the following which may be necessary to provide for that payment:

(a) Taxes or assessments.

(b) Service charges, rentals, or rates.

(c) Both taxes or assessments and service charges, rentals, or rates.

CHAPTER 4. EFFECT OF INCORPORATION

Inhabitants of new city; jurisdiction, rights, and duties

57375. Except as otherwise provided in this chapter, on and after the effective date of an incorporation, the territory incorporated, all inhabitants within the territory, and all persons entitled to vote within the newly incorporated city by reason of

residing in the city are subject to the jurisdiction of the city and shall have the rights and duties conferred on them as inhabitants and voters of the incorporated city.

Continuation of county ordinances for 120 days

57376. (a) If the newly incorporated city comprises territory formerly unincorporated, the city council shall, immediately following its organization and prior to performing any other official act, adopt an ordinance providing that all county ordinances previously applicable shall remain in full force and effect as city ordinances for a period of 120 days after incorporation, or until the city council has enacted ordinances superseding the county ordinances, whichever occurs first. However, if the Board of Supervisors of the County of Orange has adopted an ordinance or resolution, or both, pursuant to Section 50029 or 66484.3 prior to the effective date of an incorporation of a city within that county, that ordinance or resolution shall not be repealed or superseded by the city until the county ordinance or resolution has been repealed or superseded by the board of supervisors of that county. If the county ordinance or resolution is repealed or superseded, then within 30 days of the effective date of the ordinance or resolution repealing or superseding the county ordinance or resolution, the city council shall enact a new ordinance or resolution conforming in all respects to the action taken by the county. The ordinance enacted by the city council immediately following its organization also shall provide that no city ordinance enacted within that 120-day period of time be deemed to supersede any county ordinance unless the city ordinance specifically refers to the county ordinance, and states an intention to supersede it. Enforcement of the continuing county ordinances in the incorporated area shall be by the city, except insofar as enforcement services are furnished in accordance with Section 57384.

Continuation of ordinances; Orange County

Orange County joint powers agreements

(b) In the event that the County of Orange and any city within that county have entered into a joint powers agreement for the purpose of constructing the bridges and major thoroughfares referred to in Sections 50029 and 66484.3, and if a newly incorporated city within that county comprises territory formerly unincorporated but within an area of benefit established pursuant to Section 66484.3, then the city shall comply in all respects with the agreement, including any subsequent modifications thereof, as if the city were a party thereto.

Terms of office of city officers and council specified

57377. Officers, except members of the city council, shall hold office until the first succeeding general municipal election held in the city and until their successors are elected and qualified. Of the five elected members of the city council, the three

receiving the lowest number of votes shall hold office until the first succeeding general municipal election held in the city and until their successors are elected and qualified, and the two receiving the highest number of votes shall hold office until the second succeeding general municipal election held in the city and until their successors are elected and qualified. If two or more members of the city council are elected by the same number of votes, the terms of each shall be determined by lot. The members of the city council elected to succeed the members elected at the incorporation election shall hold office for four years from the Tuesday succeeding their election, and until their successors are elected and qualified.

**City council districts;
applicable code sections**

57378. If the voters in the incorporation election determine that future city council members shall be elected "by districts," or "from districts," the provisions of Article 2 (commencing with Section 34870) of Chapter 4 of Part 1 of Division 2 shall apply to those elections.

**City council terms where
general election less than one
year after incorporation**

57379. If the first general municipal election following an incorporation election will occur less than one year after the effective date of incorporation, or occurred on or after November 1, 1987, and less than one year after the incorporation election, of the five elected members of the city council, the three receiving the lowest number of votes shall hold office until the second general municipal election following the incorporation election and until their successors are elected and qualified, and the two receiving the highest number of votes shall hold office until the third general municipal election following the incorporation election and until their successors are elected and qualified.

The first general municipal election following the incorporation election shall not be held unless either a proposition is to be voted upon or offices other than city council member offices are to be filled.

In the event that, pursuant to Section 56727, the first election for city council members was held after the election on the incorporation proposal, the term "incorporation election" in this section means the first election for city council members.

**Judicial notice of city
incorporation**

57380. Courts shall take judicial notice of the organization and existence of cities incorporated pursuant to this division.

**Surrender of city offices upon
qualification of new officers**

57381. Immediately upon qualification of the elected officers, all persons in possession of the offices of the city shall surrender the possession of the offices, though the terms of the offices for which they were elected or appointed have not expired.

Conveyance of property to new city officers

57382. All officers, boards, and persons holding any property in trust for any city use shall convey that property to the city or officer entitled to the property.

Conveyance of parking lots; Los Angeles County

57383. The board of supervisors of Los Angeles County may, by a two-thirds vote, convey any parking lot owned by the county and situated within the boundaries of an incorporated city to the city for public parking purposes, without consideration other than the agreement by the city to continue to use and maintain the property as a public parking lot.

This section applies only to parking lots acquired principally from revenues raised through onstreet or offstreet parking fees for the specific purpose of parking lot development, and does not apply to lots purchased through expenditures from the general fund or other means to serve as sites for other types of facilities.

The conveyance provided for by this section shall not occur until all liens or financial obligations attached to those lots have been satisfied.

Continuation of county services after incorporation

57384. (a) Except as provided in subdivision (b), whenever a city has been incorporated from territory formerly unincorporated, the board of supervisors shall continue to furnish, without additional charge, to the area incorporated all services furnished to the area prior to the incorporation. Those services shall be furnished for the remainder of the fiscal year during which the incorporation became effective or until the city council requests discontinuance of the services, whichever occurs first.

(b) This subdivision applies only to incorporations for which the petition or resolution of application for incorporation is filed with the commission on or after January 1, 1987. Prior to the commission adopting a resolution making determinations, the board of supervisors may request that the city reimburse the county for the net cost of services provided pursuant to subdivision (a). The commission shall impose this requirement as a term and condition of its resolution. The city shall be obligated to reimburse the county within five years of the effective date of the incorporation or for a period in excess of five years, if the board of supervisors agrees to a longer period. As used in this subdivision, "net cost of services" means the total direct and indirect expense to the county of providing services, as determined pursuant to paragraph (2) of subdivision (c) of Section 56810, adjusted by any subsequent change in the California Consumer Price Index, less any revenues which the county retains that were generated from the formerly unincorporated territory during the period of time the services are furnished pursuant to subdivision (a). This

Board of supervisors may request reimbursement

"Net cost of services" defined

subdivision applies only to those services which are to be assumed by the city.

Additional time

(c) At the request of the city council, the board of supervisors, by resolution, may determine to furnish, without charge, to the area incorporated all or a portion of services furnished to the area prior to the incorporation for an additional period of time after the end of the fiscal year during which the incorporation became effective. The additional period of time after the end of the fiscal year during which the incorporation became effective for which the board of supervisors determines to provide services, without charge, and the specific services to be provided shall be specifically stated in the resolution adopted by the board of supervisors.

Roads and highways; county road system

57385. (a) If unincorporated territory was, or hereafter becomes, incorporated, all roads and highways or portions of a road or highway in the territory which had been accepted into the county road system pursuant to Section 941 of the Streets and Highways Code are, or shall become, as the case may be, city streets on the effective date of the incorporation.

(b) Subdivision (a) does not apply to a road or highway which had been accepted into the county road system pursuant to Section 941 of the Streets and Highways Code after the date of the first signature on a petition for annexation or incorporation, the adoption of a resolution of application by an affected local agency, or a date mutually agreed upon by the city and the county.

(c) Nothing in subdivision (a) requires a city to improve the affected road or highway to city standards.

CHAPTER 5. EFFECT OF DISINCORPORATION

Termination of jurisdiction

57400. Except as otherwise provided in this chapter, on and after the effective date of a disincorporation, the territory of the disincorporated city, all inhabitants within the territory, and all persons formerly entitled to vote by reason of residing within the territory shall cease to be subject to the jurisdiction of the disincorporated city and shall have none of the rights or duties of inhabitants or voters of a city.

Transfer of public property

57401. Prior to the effective date of the disincorporation, every public officer of the city shall turn over to the board of supervisors the public property in his or her possession.

Financial statement of city

57402. After ascertaining that disincorporation has carried, the commission shall determine and certify in a written statement to the board of supervisors the indebtedness of the city, the amount of money in its treasury, and the amount of any tax

levy or other obligation due the city which is unpaid or has not been collected.

Transfer of all monies to county treasurer by city council

57403. Within 30 days after the disincorporation election but prior to the effective date of the disincorporation, the city council of the disincorporated city shall turn over to the county treasurer all city money in its possession.

Failure to certify financial statement

57404. If the commission does not provide the board of supervisors with the certified statement required by Section 57402, the board shall make the determinations provided for in that section.

Due but uncollected taxes of city

57405. If a tax has been levied by the disincorporated city and remains uncollected, the county tax collector shall collect it when due and pay it into the county treasury.

Redemption of property for delinquent city taxes

57406. All property upon which any tax levied by the disincorporated city has become delinquent, and all property sold for any tax levied by the disincorporated city, may be redeemed by any interested party, on payment to the county treasurer of the sum which the auditor estimates would have been necessary to redeem the property if there had been no disincorporation.

Special fund for disincorporated city

57407. All money paid into the county treasury pursuant to this chapter shall be placed to the credit of a special fund established for the purpose of settling the affairs of the disincorporated city.

Warrants for city indebtedness

57408. Warrants for city indebtedness shall be drawn by the board of supervisors on the special fund.

Levy of taxes to pay city indebtedness

57409. If there is not sufficient money in the treasury to the credit of the special fund to pay any city indebtedness, the board of supervisors shall cause to be levied, and there shall be collected from the territory formerly included within the city, taxes sufficient to pay the indebtedness as it becomes due.

Manner of assessment and collection of taxes for indebtedness

57410. Any taxes levied pursuant to Section 57409 shall be assessed, levied, and collected in the same manner and at the same time as other county taxes, and are additional taxes upon the property included within the territory of the disincorporated city.

Surplus in special fund; disposition by board of supervisors

57411. Any surplus remaining in the special fund after the payment of any debts shall be, at the discretion of the board of supervisors, transferred to the school districts, community

college districts, or districts included in the former city or used for the improvement of streets within the territory of the former city.

**Winding up of city affairs;
county officer duties**

57412. The board of supervisors shall provide for collection of debts due the city and wind up its affairs. Upon an order by the board of supervisors, the appropriate county officer shall perform any act necessary for winding up the city affairs, with the same effect as if it had been performed by the proper city officer.

**County successor to city in
rights of debts**

57413. The county succeeds to all of the rights of the city in the debts and may collect or sue for them in the name of the county.

**Expenses for winding up
affairs**

57414. All costs and expenses incurred in winding up city affairs are part of the special fund.

**Public utilities of city;
assumption of control by
board of supervisors**

57415. By ordinance, the board of supervisors may assume control of, and continue to administer, all electric, power, lighting, or gas plants and all systems of waterworks, street lighting, or any other public utility owned by the city at the time of its disincorporation.

**Special tax levy for
insufficient public utility
revenue**

57416. If the revenues from any public utility referred to in Section 57415 are not sufficient for its administration, conduct, or improvement, the board of supervisors shall levy a special tax upon all property within the disincorporated city. The special tax shall be levied upon the assessed value of the property as shown by the equalized assessment roll in effect on the first day of March of that year, and collected in the same manner and form of other county taxes.

**Separate fund for public
utility collection**

57417. All sums collected shall be placed in a separate fund in the county treasury for the administration, conduct, and improvement of the public utility for which the tax is levied.

**Assumption of public
property of disincorporated
or newly incorporated city**

57418. If any city has within its boundaries, at the time of incorporation, at least two-thirds of the assessed value of an assessable property formerly contained within a disincorporated city, it becomes the owner of all public property formerly belonging to the disincorporated city and that proportion of the debts, liabilities, and credits owned by or due to the disincorporated city as the value of the assessable property of the disincorporated city lying within the boundaries of the new city bears to the value of all assessable property formerly contained within the disincorporated city. The value is that shown by the equalized assessment roll in effect in the fiscal year in which the city was disincorporated.

Exclusion from tax on outside territory

57419. No tax shall be levied upon any territory not included within the former limits of the disincorporated city for any debt or liability of the disincorporated city.

Value of property within new city and disincorporated city; preparation of statement

57420. Upon written request by the legislative body of a newly incorporated city, the board of supervisors shall cause the county auditor to prepare, without cost, a statement of the value of the assessable property in the disincorporated city and the value of that property now contained in the incorporated city. If the statement shows that at least two-thirds of the assessed value of all assessable property formerly contained within the disincorporated city is contained within the boundaries of the newly incorporated city, the board of supervisors shall fix the relative proportion by an order entered in the minutes, and the newly incorporated city is liable for that proportion of the debts and liabilities of the disincorporated city.

Transfer of public property to new city from disincorporated city

57421. The board of supervisors shall forward a certified copy of the order to the Secretary of State and the city clerk, and turn over to the city council all public property taken by the board of supervisors and the proportion of the special fund to which the city is entitled. Thereafter, ownership of, and title to, all public property formerly belonging to the disincorporated city is vested in the city as fully as if the property had been originally acquired by it.

Special tax for bonded indebtedness of disincorporated city by new city

57422. Annually, at the time other city taxes are levied and collected, the city council shall levy and collect a special tax on the territory of the disincorporated city within the limits of the city sufficient to pay its proportion of the bonded indebtedness as it becomes due.

Special tax for debt balance of disincorporated city outside new city

57423. Annually, at the time other county taxes are levied and collected, the board of supervisors shall levy and collect a special tax on the remainder of the territory sufficient to pay the balance of the debt, and pay this sum to the city treasurer.

Payment of bonded indebtedness

57424. With the proceeds of those taxes, the city treasurer shall pay the bonded indebtedness as it becomes due.

Redemption of property sold for taxes by disincorporated city

57425. If any property within the former limits of the disincorporated city was sold for taxes levied by that city, it may be redeemed or a tax bond issued as if the city had not disincorporated. Those proceedings shall be had and deeds issued in the name of the city in which the land is situated.

CHAPTER 6. EFFECT OF DISSOLUTION

Corporate powers to cease on effective date

57450. On and after the effective date of the dissolution of a district, the district shall be dissolved, disincorporated, and extinguished, its existence shall be terminated, and all of its corporate powers shall cease, except as the commission may otherwise provide pursuant to Section 56886 or for the purpose of winding up the affairs of the district and as otherwise provided in this chapter. The general provisions of this chapter shall not be construed as limiting in any manner the authority of the commission to impose one or more of the terms and conditions set forth in Section 56886.

Determination of successor district

57451. For the purpose of winding up the affairs of a dissolved district, the successor of the dissolved district shall be determined as follows:

(a) If the territory of a dissolved district is located entirely within the incorporated territory of a single city, the city is the successor.

(b) If the territory of a dissolved district is located entirely within the unincorporated territory of a single county, the county is the successor.

(c) If the territory of a dissolved district is located within the incorporated territory of more than one city or the unincorporated territory of more than one county, or any combination of the incorporated or unincorporated territory of two or more such cities and counties, the successor is that city whose incorporated territory or that county whose unincorporated territory shall, upon the effective date of dissolution, contain the greater assessed value of all taxable property within the territory of the dissolved district, as shown on the last equalized assessment roll or rolls of the county or counties.

(d) If the terms and conditions provide that all of the remaining assets of a dissolved district shall be distributed to a single existing district, the single existing district is the successor.

(e) If the terms and conditions provide that all of the remaining assets of a dissolved district shall be distributed to two or more existing districts, the successor is that existing district which, upon the effective date of dissolution, contains the greater assessed value of all taxable property within the territory of the dissolved district, as shown on the last equalized assessment roll or rolls of the county or counties.

Property or funds vested in successor

57452. Upon the effective date of dissolution control over all of the moneys or funds, including cash on hand and moneys due but uncollected, and all property, real or personal, of the

dissolved district is vested in the successor for the purpose of winding up the affairs of the district.

Powers and duties of successor district

57453. For the sole and exclusive purpose of winding up the affairs of the dissolved district, the successor and the officers and legislative body of the successor have the same powers and duties as the dissolved district and the officers and legislative body of the dissolved district and all of the following additional powers and duties:

(a) To exchange, sell, or otherwise dispose of all property, real and personal, of the dissolved district.

(b) To compromise and settle claims of every kind and nature.

(c) To sue or be sued in the same manner and to the same extent as the dissolved district and the officers and legislative body of the dissolved district.

These powers and duties shall commence upon the effective date of dissolution and shall continue thereafter until the time when the affairs of the dissolved district have been completely wound up.

Inhabitants, owners, etc., not entitled

57454. No inhabitant, property owner, taxpayer, consumer, or user within the territory of a dissolved district shall be entitled to either of the following:

(a) All or any part, or to any payment on account of the moneys or funds, including cash on hand and moneys due but uncollected, or any property, real or personal, of the dissolved district.

(b) Any refund by reason of any taxes, assessments, service charges, rentals, or rates collected prior to the effective date of dissolution.

Moneys and funds used for obligations of dissolved district

57455. Any moneys and funds of the dissolved district and any moneys or funds received by the successor from the sale or other disposition of any property, real or personal, of the dissolved district shall be used to the extent necessary, for the payment of principal, interest and any other amounts then or thereafter due on account of any outstanding bonds, including revenue bonds, and other contracts or obligations of the dissolved district.

Distribution of remaining assets

57456. (a) When the successor determines that payment, or provision for payment, has been made of all short-term obligations of the dissolved district, the successor shall distribute any of the remaining assets of the dissolved district in the manner provided in Section 57457.

Short-term obligations defined

(b) "Short-term obligations," as used in subdivision (a), includes all amounts which shall be due and payable, prior to

the end of the fiscal year commencing next after the effective date of dissolution, upon any outstanding bonds, including revenue bonds, and other contracts or obligations of the dissolved district. All other obligations shall be long-term obligations.

Assets; to whom distributed

57457. Remaining assets of the dissolved district shall be distributed by the successor as follows:

(a) If the territory of the dissolved district is located entirely within the incorporated territory of a single city, all of the assets shall be distributed to that city.

(b) If the territory of the dissolved district is located entirely within the unincorporated territory of a single county, all the assets of the dissolved district shall be distributed to that county.

(c) If the territory of a dissolved district is located within the incorporated territory of more than one city, or the unincorporated territory of more than one county, or any combination of the incorporated or unincorporated territory of two or more such cities and counties, the assets of the dissolved district shall be apportioned between all such cities and counties and distributed as follows:

(1) All real property located within the incorporated territory of any city or within the unincorporated territory of any county, as the case may be, shall be distributed to that city or county.

(2) All moneys or funds including cash on hand and money due but uncollected and all personal property shall be divided among and distributed to each city or county in the proportion that the assessed value of the taxable property of the dissolved district within the incorporated territory of each city or within the unincorporated territory of each county shall bear to the total assessed value of all taxable property within the dissolved district, the assessed values being those shown upon the last equalized assessment roll or rolls of the county or counties upon the effective date of the dissolution.

**Special tax levy to pay
outstanding indebtedness**

57458. Until payment, or provision for payment, has been made of all principal, interest, and any other amounts owing on account of any outstanding long-term obligations, which are payable in whole or in part from taxes or assessments upon any property within all or any part of the territory of a dissolved district, the legislative body of the successor shall in each year provide for the levy and collection of taxes or assessments upon the property sufficient to pay any principal, interest, and any other amounts owing on account of such obligations, as they become due. Those taxes or assessments shall be levied and collected in the manner provided by the principal act of the dissolved district.

Restriction on assets until outstanding debts paid

57459. Until payment, or provision for payment, has been made of all principal, interest, and any other amounts owing on account of any outstanding bonds, contracts, or other obligations which are payable in whole or in part from the revenues of a revenue-producing enterprise of the dissolved district, the successor shall not do either of the following:

(a) Sell, encumber, or otherwise dispose of all or any part of the revenue-producing enterprise or the revenues derived from that enterprise, except as expressly authorized by the ordinance, resolution, or indenture authorizing or providing for the issuance of any of the bonds, contracts, or other obligations.

(b) Distribute less than the whole of the revenue-producing enterprise to any city or county.

Retention of revenue enterprise until indebtedness paid

57460. If at the time of distribution more than one city or county or any combination of cities or counties are entitled to distribution of portions of a revenue-producing enterprise but the successor is unable to distribute the same because of Section 57459, the successor shall retain the revenue-producing enterprise and all revenues derived from that enterprise until payment, or provision for payment, has been made of all principal, interest, and any other amounts owing on account of outstanding bonds, contracts, or other obligations which are payable in whole or in part from the revenues of the enterprise, at which time the successor shall distribute the enterprise and any revenues derived there from in accordance with Section 57457.

Rights and liabilities of successor for obligations payable from revenue enterprise

57461. Where any bonds, contracts, or other obligations which are payable in whole or in part from the revenues of a revenue-producing enterprise are outstanding upon the effective date of dissolution, the successor, prior to distribution, or any city or county, after distribution, shall succeed to all rights and liabilities of the dissolved district under any ordinance, resolution, or indenture authorizing the bonds, contracts, or other obligations or providing for the issuance of the bonds, contracts, or other obligations and may sue or be sued upon those rights and liability in the same manner and to the same extent as the dissolved district.

Assets of district impressed with any public trust

57462. Any funds, money, or property of a dissolved district which have been impressed with any public trust, use, or purpose shall continue to be so impressed until that public trust, use, or purpose is vacated, abandoned, or terminated, in the manner provided by law.

Assets to be used for winding up affairs and for benefit of area

57463. Subject to the provisions of Section 57462, any funds, money, or property of a dissolved district may be used by the successor for the purpose of winding up the affairs of the district and, after distribution to any city, county, or district may be used for any lawful purpose of the city, county, or district to which the funds, money, or property have been distributed. So far as may be practicable, the funds, money, or property shall be used for the benefit of the lands, inhabitants, and taxpayers within the territory of the dissolved district.

CHAPTER 7. EFFECT OF CONSOLIDATION OF CITIES

Manner of governance of consolidated city; name of city; officers of new city

57475. If the successor city has a freeholder's charter, the successor city shall be governed as a new city under the freeholder's charter of the successor city. If the successor city was organized under former Part 2 (commencing with Section 35000) of Division 2 of Title 4, or its predecessors, the successor city shall be governed in the same manner as a new city. Except as otherwise provided in this chapter, the successor city shall be governed in the name of the successor city. If the electors have expressed a preference for the name of the successor city, the successor city is deemed to have the name favored by the electors. The predecessor cities are dissolved and disincorporated and if any of them has a freeholder's charter, it is deemed surrendered and annulled and they are merged into the successor city. Immediately upon qualifying, the officers of the successor city who have been elected shall enter upon the duties of their offices and hold office until the next general municipal election and until their successors are elected and qualified. All persons in possession of, or occupying, the offices in each of the predecessor cities shall surrender them immediately to the proper officers of the successor city.

Title to property of predecessor city

57476. Upon consolidation, the title to any property owned or held by, or in trust for, each predecessor city or by its officers or boards in trust for public use shall be vested in the successor city or its officers or boards.

Effect of consolidation on liabilities

57477. Except as otherwise provided in this division, consolidation does not affect any debts, demands, liabilities, or obligations of any kind existing in favor of or against the cities consolidated at the time of consolidation. Consolidation does not affect any pending action or proceeding involving any such debt, demand, liability, or obligation or any action or proceedings brought by or against any city prior to consolidation. The proceedings shall be continued and

concluded by final judgment or otherwise as if consolidation had not been effected. Those rights or liabilities are the rights and liabilities of the successor city.

Repeal of ordinances of predecessor city

57478. Immediately upon consolidation, all ordinances of the predecessor cities are deemed repealed. That repeal shall not discharge any person from any existing civil or criminal liability nor affect any pending prosecution for violation of any of those ordinances.

Restrictions on repeal of ordinances

57479. The repeal of ordinances provided by Section 57478 shall not apply to any of the following:

- (a) Ordinances under which vested rights have accrued.
- (b) Ordinances relating to proceedings for street or other public improvements.
- (c) Ordinances relating to zoning or land use regulation.
- (d) Proceedings for opening, extending, widening, straightening, or changing the grade of streets or other public places.

These proceedings shall be continued and conducted by the successor city with the same effect as if continued and conducted by the city which commenced them.

Effective date of ordinances of successor city

57480. On and after the effective date of the consolidation, all ordinances, if any, of the successor city shall have full effect throughout the successor city.

Restriction on liability of other city's indebtedness

57481. Unless otherwise provided in the terms and conditions of the consolidation, the property in cities consolidated pursuant to this chapter shall not be taxed to pay any indebtedness or liability of any other city contracted or incurred prior to, or existing at, the time of consolidation.

Separate levy for each city's indebtedness

57482. The city council of the successor city shall separately levy and collect the taxes necessary to pay the indebtedness or liability of each predecessor city within the territory of each predecessor city.

Charter city status

57483. Where the successor city is, or becomes, a chartered city, under a freeholder's charter providing that boroughs may be established in territories or cities annexed to or consolidated with it, this division does not prevent a predecessor city, or any part of it, from becoming a borough.

CHAPTER 8. EFFECT OF CONSOLIDATION OF DISTRICTS

Powers and duties of consolidated district; rights of inhabitants and voters

57500. On and after the effective date of a consolidation, the consolidated district succeeds to all of the powers, rights, duties, obligations, functions, and properties of all predecessor districts which have been united or joined into the consolidated district. The territory of a consolidated district, all inhabitants within that territory, and all persons entitled to vote by reason of residing or owning land within the territory are subject to the jurisdiction of the consolidated district and, except as otherwise provided in this chapter, have the same rights and duties as if the consolidated district had been originally formed under the principal act.

No payment for use of property of predecessor district

57501. No payment for the use, or right of use, of any property, real or personal, acquired or constructed by any predecessor district shall be required by reason of the consolidation of the district with other predecessor districts.

Liability for payment of bonds and obligations of predecessor district; restriction on area

57502. The territory of a consolidated district shall be liable for payment of principal, interest, and any other amounts which become due on account of any outstanding or then authorized but thereafter issued bonds, including revenue bonds, or other contracts or obligations of all predecessor districts, and are subject to the levying or fixing and collection of any of the following which may be necessary to provide for payment:

- (a) Taxes or assessments.
- (b) Service charges, rentals, or rates.
- (c) Both taxes or assessments and service charges, rentals, or rates.

However, only the territory within an improvement district shall be liable for any payment required on account of any bonds, including revenue bonds, or other contracts previously authorized or issued by, or on behalf of, the improvement district.

CHAPTER 9. MERGERS AND THE ESTABLISHMENT OF SUBSIDIARY DISTRICTS

Termination of district by merger

57525. On and after the effective date of a merger of a district of limited powers with a city, the district is extinguished, terminated, and its existence ceases, except as otherwise provided in this chapter.

Assets vested in city

57526. Upon the effective date of a merger, all of the moneys or funds, including cash on hand and moneys due but

uncollected and all property, real or personal, of the merged district is vested in the city.

Inhabitants, owners, etc., not entitled

57527. No inhabitant, property owner, taxpayer, consumer, or user within the territory of a merged district shall be entitled to either of the following:

(a) All or any part, or to any payment on account of the moneys or funds, including cash on hand and moneys due but uncollected, and any property, real or personal, of the merged district.

(b) Any refund by reason of any taxes, assessments, service charges, rentals, or rates collected prior to the effective date of merger.

Remaining moneys to pay outstanding indebtedness

57528. Any moneys and funds of the merged district and any moneys or funds received by the city from the sale or other disposition of any property, real or personal, of the merged district shall be used, to the extent necessary, for the payment of principal, interest, and any other amounts then or thereafter due on account of any outstanding bonds, including revenue bonds, and other contracts and obligations of the merged district.

Special tax to pay indebtedness of merged districts

57529. Until payment, or provision for payment, has been made of all principal, interest, and any other amounts owing on account of any outstanding obligations, which are payable in whole or in part from taxes or assessments upon any property within all or any part of the territory of a merged district, the city council shall in each year provide for the levy and collection of taxes and assessments upon the property sufficient to pay any principal, interest, and any other amounts owing on account of such obligations, as they become due. Those taxes and assessments shall be levied and collected in the manner provided by the principal act of the merged district.

Restriction on sale of revenue enterprise until indebtedness paid

57530. Until payment, or provision for payment, has been made of all principal, interest, and any other amounts owing on account of any outstanding bonds, contracts, or other obligations which are payable in whole or in part from the revenues of a revenue-producing enterprise of the merged district, the city shall not sell, encumber, or otherwise dispose of all or any part of the revenue-producing enterprise or the revenues derived from the enterprise, except as expressly authorized by the ordinance, resolution, or indenture authorizing the bonds, contracts, or other obligations or providing for the issuance of any bonds, contracts, or other obligations.

Rights of successor city for payment of outstanding indebtedness

57531. Where any bonds, including revenue bonds, contracts, or other obligations of the merged district are outstanding upon the effective date of merger, the city succeeds to all of the rights and liabilities of the merged district under any ordinance, resolution, indenture, contract, or other obligation or providing for or authorizing the issuance of any bonds, contracts, or other obligations and may sue and be sued upon those rights and liabilities in the same manner and to the same extent as the merged district.

Funds impressed with public trust

57532. Any funds, money, or property of a merged district which have been impressed with any public trust, use, or purpose shall continue to be so impressed until the public trust, use, or purpose is vacated, abandoned, or terminated, in the manner provided by law.

Use of funds of merged district

57533. Subject to Section 57532, any funds, money, or property of a merged district may be used for any lawful purpose of the city. So far as may be practicable, as determined by the city council, any of these funds, money, or property shall be used for the benefit of the lands, inhabitants, and taxpayers within the territory of the merged district.

City council as board of directors of subsidiary district; continuation of district's existence

57534. On and after the effective date of an order establishing a district of limited powers as a subsidiary district of a city, the city council shall be designated as, and empowered to act as, ex officio the board of directors of the district. The district shall continue in existence with all of the powers, rights, duties, obligations, and functions provided for by the principal act, except for any provisions relating to the selection or removal of the members of the board of directors of the district.

City council member serving on district board; conflict

57535. If any court determines that any incompatibility exists by reason of the same person or persons holding office both as a member of the city council and as a member of the board of directors of a subsidiary district, the court shall order the vacation of the office of that person as a member of the board of directors, but not as a member of the city council, and shall order the membership of the board of directors to be selected in the manner provided by the principal act.

CHAPTER 10. EFFECT OF REORGANIZATION

Effect of change of organization after a reorganization

57550. On and after the effective date of a reorganization, each change of organization ordered for any city or district shall be given the force and effect pertaining to a change of organization of that type, as provided in this part.

RELATED SECTIONS IN THE REVENUE AND TAXATION CODE

Property tax rates; levy by local agencies and school entities

93. (a) Notwithstanding any other provision of law, except as provided in subdivisions (b) and (c), no local agency, school district, county superintendent of schools, or community college district shall levy an ad valorem property tax, other than that amount which is equal to the amount needed to make annual payments for the interest and principal on general obligation bonds or other indebtedness approved by the voters prior to July 1, 1978 or the amount levied pursuant to Part 10 (commencing with Section 15000) of Division 1 and Sections 39308, 39311, 81338, and 81341 of the Education Code. In determining the tax rate required for the purposes specified in this subdivision, the amount of the levy shall be increased to compensate for any allocation and payment of tax revenues required pursuant to subdivision (b) of Section 33670 and subdivision (d) of Section 33675 of the Health and Safety Code.

(b) A county shall levy an ad valorem property tax on taxable assessed value at a rate equal to four dollars (\$4) per one hundred dollars (\$100) of assessed value, and at an equivalent rate when the ratio prescribed in Section 401 is changed from 25 percent to 100 percent. The revenue from that tax shall be distributed, subject to the allocation and payment as provided in subdivision (d) of Section 33675 of the Health and Safety Code, to local agencies, school districts, county superintendents of schools, and community college districts in accordance with the provisions of the Government Code through the 1978-79 fiscal year and in accordance with applicable provisions of the Revenue and Taxation Code in each fiscal year thereafter. Revenues from property tax delinquency penalties, and accrued legal interest paid on judgments for the recovery of unpaid property taxes rendered by courts of this state, shall be distributed pursuant to Sections 4653.6, 4655.4, and 4658.4 of the Revenue and Taxation Code, or their successors.

(c) Any jurisdiction may levy an ad valorem property tax rate in the excess of the rate permitted in subdivision (b) in order to produce revenues in an amount which is equal to the amount needed to make annual payments for the interest and principal on any bonded indebtedness for the acquisition or improvement of real property which is approved by a two-thirds vote of its voters after June 4, 1986.

Jurisdictional changes; city incorporation; district formation

99. (a) For the purposes of the computations required by this chapter:

(1) In the case of a jurisdictional change, other than a city incorporation or a formation of a district as defined in Section

2215, the auditor shall adjust the allocation of property tax revenue determined pursuant to Section 96 or 96.1, or the annual tax increment determined pursuant to Section 96.5, for local agencies whose service area or service responsibility would be altered by the jurisdictional change, as determined pursuant to subdivision (b) or (c).

(2) In the case of a city incorporation, the auditor shall assign the allocation of property tax revenues determined pursuant to Section 56810 of the Government Code and the adjustments in tax revenues that may occur pursuant to Section 56815 of the Government Code to the newly formed city or district and shall make the adjustment as determined by Section 56810 in the allocation of property tax revenue determined pursuant to Section 96 or 96.1 for each local agency whose service area or service responsibilities would be altered by the incorporation.

(3) In the case of a formation of a district as defined in Section 2215, the auditor shall assign the allocation of property tax revenues determined pursuant to Section 56810 of the Government Code to the district and shall make the adjustment as determined by Section 56810 in the allocation of property tax revenue determined pursuant to Section 96 or 96.1 for each local agency whose service area or service responsibilities would be altered by the formation.

(b) Upon the filing of an application or a resolution pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (Division 3 (commencing with Section 56000) of Title 5 of the Government Code), but prior to the issuance of a certificate of filing, the executive officer shall give notice of the filing to the assessor and auditor of each county within which the territory subject to the jurisdictional change is located. This notice shall specify each local agency whose service area or responsibility will be altered by the jurisdictional change.

(1) (A) The county assessor shall provide to the county auditor, within 30 days of the notice of filing, a report which identifies the assessed valuations for the territory subject to the jurisdictional change and the tax rate area or areas in which the territory exists.

(B) The auditor shall estimate the amount of property tax revenue generated within the territory that is the subject of the jurisdictional change during the current fiscal year.

(2) The auditor shall estimate what proportion of the property tax revenue determined pursuant to paragraph (1) is attributable to each local agency pursuant to Section 96.1 and Section 96.5.

(3) Within 45 days of notice of the filing of an application or resolution, the auditor shall notify the governing body of each

local agency whose service area or service responsibility will be altered by the amount of, and allocation factors with respect to, property tax revenue estimated pursuant to paragraph (2) that is subject to a negotiated exchange.

(4) Upon receipt of the estimates pursuant to paragraph (3) the local agencies shall commence negotiations to determine the amount of property tax revenues to be exchanged between and among the local agencies. This negotiation period shall not exceed 60 days.

The exchange may be limited to an exchange of property tax revenues from the annual tax increment generated in the area subject to the jurisdictional change and attributable to the local agencies whose service area or service responsibilities will be altered by the proposed jurisdictional change. The final exchange resolution shall specify how the annual tax increment shall be allocated in future years.

(5) In the event that a jurisdictional change would affect the service area or service responsibility of one or more special districts, the board of supervisors of the county or counties in which the districts are located shall, on behalf of the district or districts, negotiate any exchange of property tax revenues. Prior to entering into negotiation on behalf of a district for the exchange of property tax revenue, the board shall consult with the affected district. The consultation shall include, at minimum, notification to each member and executive officer of the district board of the pending consultation and provision of adequate opportunity to comment on the negotiation.

(6) Notwithstanding any other provision of law, the executive officer shall not issue a certificate of filing pursuant to Section 56658 of the Government Code until the local agencies included in the property tax revenue exchange negotiation, within the 60-day negotiation period, present resolutions adopted by each such county and city whereby each county and city agrees to accept the exchange of property tax revenues.

(7) In the event that the commission modifies the proposal or its resolution of determination, any local agency whose service area or service responsibility would be altered by the proposed jurisdictional change may request, and the executive officer shall grant, 15 days for the affected agencies, pursuant to paragraph (4) to renegotiate an exchange of property tax revenues. Notwithstanding the time period specified in paragraph (4), if the resolutions required pursuant to paragraph (6) are not presented to the executive officer within the 15-day period, all proceedings of the jurisdictional change shall automatically be terminated.

(8) In the case of a jurisdictional change that consists of a city's qualified annexation of unincorporated territory, an

exchange of property tax revenues between the city and the county shall be determined in accordance with subdivision (e) if that exchange of revenues is not otherwise determined pursuant to either of the following:

(A) Negotiations completed within the applicable period or periods as prescribed by this subdivision.

(B) A master property tax exchange agreement among those local agencies, as described in subdivision (d).

For purposes of this paragraph, a qualified annexation of unincorporated territory means an annexation, as so described, for which an application or a resolution was filed on or after January 1, 1998, and on or before January 1, 2010.

(9) No later than the date on which the certificate of completion of the jurisdictional change is recorded with the county recorder, the executive officer shall notify the auditor or auditors of the exchange of property tax revenues and the auditor or auditors shall make the appropriate adjustments as provided in subdivision (a).

(c) Whenever a jurisdictional change is not required to be reviewed and approved by a local agency formation commission, the local agencies whose service area or service responsibilities would be altered by the proposed change, shall give notice to the State Board of Equalization and the assessor and auditor of each county within which the territory subject to the jurisdictional change is located. This notice shall specify each local agency whose service area or responsibility will be altered by the jurisdictional change and request the auditor and assessor to make the determinations required pursuant to paragraphs (1) and (2) of subdivision (b). Upon notification by the auditor of the amount of, and allocation factors with respect to, property tax subject to exchange, the local agencies, pursuant to the provisions of paragraphs (4) and (6) of subdivision (b), shall determine the amount of property tax revenues to be exchanged between and among the local agencies. Notwithstanding any other provision of law, no such jurisdictional change shall become effective until each county and city included in these negotiations agrees, by resolution, to accept the negotiated exchange of property tax revenues. The exchange may be limited to an exchange of property tax revenue from the annual tax increment generated in the area subject to the jurisdictional change and attributable to the local agencies whose service area or service responsibilities will be altered by the proposed jurisdictional change. The final exchange resolution shall specify how the annual tax increment shall be allocated in future years. Upon the adoption of the resolutions required pursuant to this section, the adopting agencies shall notify the auditor who shall make the appropriate adjustments as provided in subdivision (a).

Adjustments in property tax allocations made as the result of a city or library district withdrawing from a county free library system pursuant to Section 19116 of the Education Code shall be made pursuant to Section 19116 of the Education Code, and this subdivision shall not apply.

(d) With respect to adjustments in the allocation of property taxes pursuant to this section, a county and any local agency or agencies within the county may develop and adopt a master property tax transfer agreement. The agreement may be revised from time to time by the parties subject to the agreement.

(e) (1) An exchange of property tax revenues that is required by paragraph (8) of subdivision (b) to be determined pursuant to this subdivision shall be determined in accordance with all of the following:

(A) The city and the county shall mutually select a third-party consultant to perform a comprehensive, independent fiscal analysis, funded in equal portions by the city and the county, that specifies estimates of all tax revenues that will be derived from the annexed territory and the costs of city and county services with respect to the annexed territory. The analysis shall be completed within a period not to exceed 30 days, and shall be based upon the general plan or adopted plans and policies of the annexing city and the intended uses for the annexed territory. If, upon the completion of the analysis period, no exchange of property tax revenues is agreed upon by the city and the county, subparagraph (B) shall apply.

(B) The city and the county shall mutually select a mediator, funded in equal portions by those agencies, to perform mediation for a period of not to exceed 30 days. If, upon the completion of the mediation period, no exchange of property tax revenues is agreed upon by the city and the county, subparagraph (C) shall apply.

(C) The city and the county shall mutually select an arbitrator, funded in equal portions by those agencies, to conduct an advisory arbitration with the city and the county for a period of not to exceed 30 days. At the conclusion of this arbitration period, the city and the county shall each present to the arbitrator its last and best offer with respect to the exchange of property tax revenues. The arbitrator shall select one of the offers and recommend that offer to the governing bodies of the city and the county. If the governing body of the city or the county rejects the recommended offer, it shall do so during a public hearing, and shall, at the conclusion of that hearing, make written findings of fact as to why the recommended offer was not accepted.

(2) Proceedings under this subdivision shall be concluded no more than 150 days after the auditor provides the notification pursuant to paragraph (3) of subdivision (b), unless one of the

periods specified in this subdivision is extended by the mutual agreement of the city and the county. Notwithstanding any other provision of law, except for those conditions that are necessary to implement an exchange of property tax revenues determined pursuant to this subdivision, the local agency formation commission shall not impose any fiscal conditions upon a city's qualified annexation of unincorporated territory that is subject to this subdivision.

(f) Except as otherwise provided in subdivision (g), for the purpose of determining the amount of property tax to be allocated in the 1979-80 fiscal year and each fiscal year thereafter for those local agencies that were affected by a jurisdictional change which was filed with the State Board of Equalization after January 1, 1978, but on or before January 1, 1979. The local agencies shall determine by resolution the amount of property tax revenues to be exchanged between and among the affected agencies and notify the auditor of the determination.

(g) For the purpose of determining the amount of property tax to be allocated in the 1979-80 fiscal year and each fiscal year thereafter, for a city incorporation that was filed pursuant to Sections 54900 to 54904 after January 1, 1978, but on or before January 1, 1979, the amount of property tax revenue considered to have been received by the jurisdiction for the 1978-79 fiscal year shall be equal to two-thirds of the amount of property tax revenue projected in the final local agency formation commission staff report pertaining to the incorporation multiplied by the proportion that the total amount of property tax revenue received by all jurisdictions within the county for the 1978 -79 fiscal year bears to the total amount of property tax revenue received by all jurisdictions within the county for the 1977-78 fiscal year. Except, however, in the event that the final commission report did not specify the amount of property tax revenue projected for that incorporation, the commission shall by October 10, determine pursuant to Section 54790.3 of the Government Code the amount of property tax to be transferred to the city.

The provisions of this subdivision shall also apply to the allocation of property taxes for the 1980-81 fiscal year and each fiscal year thereafter for incorporations approved by the voters in June 1979.

(h) For the purpose of the computations made pursuant to this section, in the case of a district formation that was filed pursuant to Sections 54900 to 54904, inclusive, of the Government Code after January 1, 1978, but before January 1, 1979, the amount of property tax to be allocated to the district for the 1979-80 fiscal year and each fiscal year thereafter shall

be determined pursuant to Section 54790.3 of the Government Code.

(i) For the purposes of the computations required by this chapter, in the case of a jurisdictional change, other than a change requiring an adjustment by the auditor pursuant to subdivision (a), the auditor shall adjust the allocation of property tax revenue determined pursuant to Section 96 or 96.1 or its predecessor section, or the annual tax increment determined pursuant to Section 96.5 or its predecessor section, for each local school district, community college district, or county superintendent of schools whose service area or service responsibility would be altered by the jurisdictional change, as determined as follows:

(1) The governing body of each district, county superintendent of schools, or county whose service areas or service responsibilities would be altered by the change shall determine the amount of property tax revenues to be exchanged between and among the affected jurisdictions. This determination shall be adopted by each affected jurisdiction by resolution. For the purpose of negotiation, the county auditor shall furnish the parties and the county board of education with an estimate of the property tax revenue subject to negotiation.

(2) In the event that the affected jurisdictions are unable to agree, within 60 days after the effective date of the jurisdictional change, and if all the jurisdictions are wholly within one county, the county board of education shall, by resolution, determine the amount of property tax revenue to be exchanged. If the jurisdictions are in more than one county, the State Board of Education shall, by resolution, within 60 days after the effective date of the jurisdictional change, determine the amount of property tax to be exchanged.

(3) Upon adoption of any resolution pursuant to this subdivision, the adopting jurisdictions or State Board of Education shall notify the county auditor who shall make the appropriate adjustments as provided in subdivision (a).

(j) For purposes of subdivision (i), the annexation by a community college district of territory within a county not previously served by a community college district is an alteration of service area. The community college district and the county shall negotiate the amount, if any, of property tax revenues to be exchanged. In these negotiations, there shall be taken into consideration the amount of revenue received from the timber yield tax and forest reserve receipts by the community college district in the area not previously served. In no event shall the property tax revenue to be exchanged exceed the amount of property tax revenue collected prior to the annexation for the purposes of paying tuition expenses of residents enrolled in the community college district, adjusted

each year by the percentage change in population and the percentage change in the cost of living, or per capita personal income, whichever is lower, less the amount of revenue received by the community college district in the annexed area from the timber yield tax and forest reserve receipts.

(k) At any time after a jurisdictional change is effective, any of the local agencies party to the agreement to exchange property tax revenue may renegotiate the agreement with respect to the current fiscal year or subsequent fiscal years, subject to approval by all local agencies affected by the renegotiation.

**Jurisdictional changes;
services by special district to
area not previously served by
local agency**

99.01. (a) For the purposes of Section 99, in the case of a jurisdictional change that will result in a special district providing one or more services to an area where those services have not been previously provided by any local agency, the following shall apply:

(1) The special district referred to in this subdivision and each local agency that receives an apportionment of property tax revenue from the area shall be considered local agencies whose service area or service responsibility will be altered by the jurisdictional change.

(2) The exchange of property tax among those local agencies shall be limited to property tax revenue from the annual tax increment generated in the area subject to the jurisdictional change and attributable to those local agencies.

(3) Notwithstanding the provisions of paragraph (5) of subdivision (b) of Section 99, any special district affected by the jurisdictional change may negotiate on its own behalf, if it so chooses.

(4) If a special district involved in the negotiation (other than the district which will provide one or more services to the area where those services have not been previously provided) fails to adopt a resolution providing for the exchange of property tax revenue, the board of supervisors of the county in the area subject to the jurisdictional change is located shall determine the exchange of property tax revenue for that special district.

(b) The provisions of subdivisions (a), (b), (c), (d), and (j) of Section 99 not in conflict with this section shall apply. The jurisdictional changes described in subdivisions (e), (f), (g), (h), and (i) of Section 99 shall not be affected by the provisions of this section.
